A Further Slice Of Johnners:

A Further Slice Of Johnners Brian Johnston, 2011-11-30 When Brian Johnston was a schoolboy his reports were full of phrases such as talks too much in school and apt to be a buffoon Later millions of radio listeners would be delighted to discover that some things never changed Johnners brought his unique wit and personal charm to an enormous range of BBC radio and television programmes for nearly 50 years from In Town Tonight and Down Your Way to Test Match Special After Brian died in 1994 Christopher Martin Jenkins wrote It is hard to believe that anyone in the history of broadcasting has induced such widespread affection A Further Slice of Johnners covers Brian s early days from his childhood in Hertfordshire and his schooldays at Eton and Oxford to his job in the family coffee business in the City and his service with the Grenadier Guards during the Second World War There is also a selection of the most memorable characters and locations from his fifteen years on the Radio Four programme Down Your Way Finally there is a collection of Brian s popular View From the Boundary interviews on Test Match Special including fascinating conversations with Eric Idle John Major and Peter O Toole

Another Slice Of Johnners Brian Johnston, 2012-05-31 Following the success of A Delicious Slice of Johnners Barry Johnston has edited another delightful anthology based on three of his father s most popular books Brian Johnston s Guide to Cricket Chatterboxes and It s Been a Piece of Cake *A Delicious Slice Of Johnners* Brian Johnston, 2011-09-30 Following Brian Johnston s death in 1994 Prime Minister John Major appeared to speak for the nation when he remarked that Summers will never be the same To an Englishman s ears the sound of leather against willow will always be closely associated with the cheerful tones of Johnners Brian Johnston was a man who admitted I have this absurd hankering to make people laugh He also summed up his books as the meanderings of a remarkably happy and lucky person to whom life like cricket is a funny game and still a lot of fun Lovingly edited by his eldest son Barry A Delicious Slice of Johnners is a wonderfully enjoyable compendium of three of Johnners best loved books the autobiographies It s Been a Lot of Fun and It s a Funny Game and Rain Stops Play

Cricket: A Political History of the Global Game, 1945-2017 Stephen Wagg, 2017-11-14 Cricket is an enduring paradox On the one hand it symbolises much that is outmoded imperialism a leisured elite a rural aristocratic Englishness On the other it endures as a global game and does so by skilful adaptation trading partly on its mythic past and partly on its capacity to repackage itself This ambitious new history recounts the politics of cricket around the world since the Second World War examining key cultural and political themes including decolonisation racism gender globalisation corruption and commercialisation Part One looks at the transformation of cricket cultures in the ten territories of the former British Empire in the years immediately after 1945 a time when decolonisation and the search for national identity touched every cricket playing region in the world Part Two focuses on globalisation and the game s evolution as an international sport analysing social change and the Ashes the campaigns for new cricket formats the development of the women s game the new breed of coach the limits to the game s global expansion and the rise of India as the world s leading cricket power Cricket A

Political History of the Global Game 1945 2017 is fascinating reading for anybody interested in the contemporary history of sport **The British National Bibliography** Arthur James Wells,2004 **Round Mr Horne** Barry Johnston,2013-07-08

When Kenneth Horne died in 1969 at the age of 61 he was described as the last of the truly great radio comics In a broadcasting career spanning more than 25 years he starred in three of the most popular radio comedy series of all time Much Binding in the Marsh Beyond Our Ken and Round the Horne Born in 1907 Horne was the youngest of seven children of a Congregationalist preacher and MP He won a half blue for tennis at Cambridge but was sent down for failing his exams In 1939 he joined the RAF and rose to the rank of Wing Commander before he broke into broadcasting after compeering a troop concert on the BBC With his brother officer Richard Dickie Murdoch he created the hugely popular Much Binding in the Marsh set on a remote RAF station somewhere in England which ran for ten years After leaving the RAF he successfully combined two careers as a businessman and a broadcaster until he suffered a stroke in 1958 and had to cut short his business career During his convalescence he helped to devise the legendary radio series Beyond Our Ken in which he presided amiably over a cast of anarchic characters played by Kenneth Williams Hugh Paddick Betty Marsden and Bill Pertwee This was followed by Round the Horne which has been called the funniest comedy series in radio history In 1969 Kenneth Horne collapsed and died on stage while presenting a television awards programme **The Wit of Cricket** Barry Johnston,2022-06-02 THIS BUMPER COLLECTION OF THE FUNNIEST ANECDOTES JOKES AND STORIES FROM CRICKET S BEST LOVED PERSONALITIES PROVES THAT CRICKET IS STILL A FUNNY GAME EVEN WHEN RAIN STOPS PLAY With a new introduction by Jonathan Agnew In this updated and expanded edition of the popular THE WIT OF CRICKET you can read many more hilarious anecdotes about legendary cricketers such as Richie Benaud Ian Botham Donald Bradman Geoff Boycott Andrew Flintoff Joe Root and Ben Stokes There also dozens of humorous gaffes and giggles from the commentary box by Jonathan Agnew Henry Blofeld Christopher Martin Jenkins Dan Norcross and others not to mention sledging short sighted umpires streakers and the phantom sock snipper in the England dressing room *Fred Trueman* Chris Waters,2011-10-01

Fred Trueman was so much more than a cricketing legend The greatest living Yorkshireman according to Prime Minister Harold Wilson he couldn t help excelling at everything he did whether it was as a hostile fast bowler for Yorkshire and England and the first man to take 300 Test wickets in a career or as a fearlessly outspoken radio summariser for Test Match Special He was famous for regularly spluttering that I don t know what s going off out there as well as for the amount of swearing he managed to incorporate into everyday speech Beloved of cricket crowds who filled grounds to witness his belligerent way of playing the game and nothing but trouble to the cricket authorities Fiery Fred was the epitome of a full blooded Englishman But as Chris Waters reveals in this first full biography behind the charismatic exuberant mask lay a far less self assured man terrified even that his new dog wouldn t like him and whose bucolic version of his upbringing bore no relation to the gritty and impoverished South Yorkshire mining community where he actually grew up Drawing on dozens of

new interviews with his Yorkshire colleagues family and friends this life of Fred Trueman will surprise and even shock but also confirm the status of an English folk hero

Evita Burned Down Our Pavilion Timothy Abraham, James Coyne, 2021-05-27 A highly entertaining read deftly melding social history with sporting memoir and travelogue Mail on Sunday A history of Latin America through cricket Cricket was the first sport played in almost every country of the Americas earlier than football rugby or baseball In 1877 when England and Australia played the inaugural Test match at the MCG Uruguay and Argentina were already ten years into their derby played across the River Plate The visionary cricket historian Rowland Bowen said that during the highpoint of cricket in South America between the two World Wars the continent could have provided the next Test nation In Buenos Aires where British engineers merchants and meatpackers flocked to make their fortune the standard of cricket was high towering figures like Lord Hawke and Plum Warner took star studded teams of Test cricketers to South America only to be beaten by Argentina A combined Argentine Brazilian and Chilean team took on the first class counties in England in 1932 The notion of Brazilians and Mexicans playing T20 at the Maracana or the Azteca today is not as far fetched

as it sounds But *Evita Burned Down Our Pavilion* is also a social history of grit industry and nation building in the New World West Indian fruit workers battled yellow fever and brutal management to carve out cricket fields next to the railway lines in Costa Rica Cricket was the favoured sport of Chile's Nitrate King Emperors in Brazil and Mexico used the game to curry favour with Europe The notorious Pablo Escobar even had a shadowy connection to the game The fate of cricket in South America was symbolised by Eva Peron ordering the burning down of the Buenos Aires Cricket Club pavilion when the club refused to hand over their premises to her welfare scheme Cricket journalists Timothy Abraham and James Coyne take us on a journey to discover this largely untold story of cricket's fate in the world's most colourful continent Fascinating and surprising *Evita Burned Down Our Pavilion* is a valuable addition to cricketing and social history *Peter O'Toole* Robert Sellers, 2015-09-10 Peter O Toole was supremely talented a unique leading man and one of the most charismatic and unpredictable actors of his generation Described by Richard Burton as the most original actor to come out of Britain since the war O Toole regularly seemed to veer towards self destruction With the help of exclusive interviews with colleagues and close friends *Peter O Toole The Definitive Biography* paints the first complete picture of this much loved man and reveals what drove him to extremes why he drank to excess and hated authority But it also describes a man who was fiercely intelligent with a great sense of humour and huge energy Always insightful at times funny at times deeply moving this is a fitting tribute to an iconic actor who made a monumental contribution to theatre and cinema *A Delicious Slice of Johnnners* Brian Johnston, 2001 Following Brian Johnston's death in 1994 Prime Minister John Major appeared to speak for the nation when he remarked that Summers will never be the same To an Englishman's ears the sound of leather against willow will always be closely associated with the cheerful tones of Johnnners voice But there was so much more in his life From the high jinks of Eton and Oxford he graduated to being a city gent in the family coffee business Later as Technical Adjutant in the Grenadier Guards he contributed to the war effort with his very own Dad's Army Once demobbed in 1945 he began a broadcasting career that introduced him to a gaggle of British eccentrics from places visited in *Down Your Way* and eventually took him to the cramped cosy and chaotic cricket commentators box where gaffes terrible jokes and gales of laughter were never far away Along the way there was a marriage to a very attractive blonde and five children Lovingly edited by his eldest son Barry this is a wonderfully enjoyable compendium of three of Johnnners best loved books the autobiographies *It's Been a Lot of Fun* and *It's a Funny Game* and *Rain Stops Play* *A Dictionary of the English Language* Samuel Johnson, 2008-08-21 Compact reproduction of the 1755 first edition A dictionary of the English language in which the words are deduced from their originals and illustrated in their different significations by examples from the best writers to which are prefixed a history of the language and an English grammar *The Spectator*, 1990 **Shades of Greene** Jeremy Lewis, 2011 In the early years of the last century two brothers Charles and Edward Greene settled in Berkhamsted a small country town thirty miles from London There they were to found a remarkable dynasty fathering twelve children between

then each of whom were to lead varied well documented and extraordinary lives This book explores for the first time this generation of the Greene family in colourful detail their relationships and shared history and their lives as explorers writers doctors spies politicians and much more There is Graham one of the greatest English writers of the twentieth century Hugh the Daily Telegraph's Berlin correspondent in the years leading up to WW2 and later Director General of the BBC Raymond a brilliant mountaineer and medical man who took part in the 1933 Everest expedition their sister Elisabeth MI6 agent enlisting family and friends into the secret service cousin Ben a pacifist and Labour Party activist who was interned in 1940 at the same time as Oswald Mosley his sister Barbara who spent the war in Germany and their younger brother Felix a pioneer of radio journalism and apologist for Communist China who moved to a commune in California with his cousin Christopher Isherwood and Aldous Huxley and Herbert the black sheep of the family fantasist and amateur spy Interlacing biography history high adventure and scenes from literary life Shades of Greene provides a riveting insight into the self confident enterprising upper middle class English world that flourished between the 1920s and the 1970s and into a truly remarkable tribe

Arlott David Rayvern Allen, 2014-03-01 John Arlott's rich Hampshire burr was the voice of BBC cricket commentary for many years from the great Test match radio broadcasts of the fifties to bucolic Sunday League on the television in the seventies But he was also a distinguished journalist for the Guardian a Liberal parliamentary candidate a courageous opponent of apartheid in sport from the earliest opportunity and a connoisseur and imbibor of fine wine without equal David Rayvern Allen's definitive biography was acclaimed on its first publication and won the Cricket Society's award for Cricket Book of the Year Now reissued by Aurum in a new paperback edition to tie in with its publication of the author's authorised biography of E W Swanton Arlott evokes both a broadcasting legend and a sensitive humane man whose graphic pensive and wry commentaries came to epitomise the sound of an English summer
