Emblems and hieroglyphikes. The shepherds oracles. Argalus and Parthenia. The virgin widow. Notes and illustrations. Glossarial index, etc** Francis Quarles, 1881 «The Poem of Sofala» By Ahmad Ibn Magid , The complete works in prose and verse of Francis Quarles, now collected and ed.: with memorial-intr., notes &c., by A.B. Grosart Francis Quarles, 1881 *An Introduction to the Literature of the Old Testament* Samuel Rolles Driver, 1898 *Chronograms 5000 and More in Number Excerpted Out of Various Authors and Collected at Many Places* James Hilton, 1885 *Epistle of Straw (Structure of James | Voice of End Times)* David KAM, 2023-10-26 Post Reformation furtherance on Sola Fide from the structured Epistle of James It is notable that scholars opinions on the theme and organization of the Epistle of James are divergent ever since the Reformation Ironically the Epistle put aside as Straw is an inspired structure of five parallel pairs furthering Sola Fide 500 years after Martin Luther Having Sold Fide would be humility before God in the first place in daily lives keeping His Word thereby showing good things and works even in trials and sufferings The key of Sola Fide is humility before God and is elaborated to details in daily lives step by step from perseverance trials and sufferings Because of adversaries the Lord also exhorts dispersed brethren 500 years after the Reformation to be patient for His coming is near to gather His elects He will give grace to the humble and crown of life to the man who perseveres *Explanatory Notes on the Sermon of Hebrews* Kenneth Schenck, 2023-09-18 In 1755 John Wesley was forced to rest for a year because of illness In that year he wrote his Explanatory Notes upon the New Testament These were meant to provide brief commentary on the text for his lay preachers and others to use These Explanatory Notes on the Sermon of Hebrews are also meant to provide brief interpretations of the text of Hebrews without extensive engagement with scholarship The goal is for the reader to gain a good overview of Hebrews train of thought its overall purpose as well as some engagement with contemporary application for a Christian In the case of Hebrews a good deal is unknown If we knew the details the sermon's argument would come clearly into view For this reason these notes engage in a little more speculation than a normal commentary might **Index of English Literary Manuscripts** Margaret M. Smith, 2000-05-09 A Commentary on the Gospel of John Johannes Beutler, 2017 New

Testament scholar Johannes Beutler brings together a lifetime of study and reflection in this acclaimed commentary first published in German in 2013 and now available to English speaking audiences for the first time Moving through the Gospel of John with a careful and critical eye Beutler engages the relevant primary and secondary sources summarizes the existing discussion and presents syntactic semantic and pragmatic analyses of the text As he meticulously examines the Fourth Gospel Beutler pays special attention to the influence of Old Testament and Early Jewish traditions to the overall structure of the Gospel of John and to evidence suggesting a later stratum of contextualized re readings in the composition of the Gospel Bold literary and theological this volume represents a landmark work of German biblical scholarship **A Commentary on the Holy Scriptures** Johann Peter Lange,1870 *The Complete Works in Prose and Verse, of Francis Quarles* Francis Quarles,1881 The Comedy of Errors Robert S. Miola,2013-07-04 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare s AComedy of Errors Miola s edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play s debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on TheComedy of Errors that is published in obscure and difficulty accessible journals newspapers and other sources This collection brings together these essays for the first time **A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical** Johann Peter Lange,Philip Schaff,1870 **The Cathedral Paragraph Psalter** Church of England,1899 **The Lightning-scene in Ancient Arabic Poetry** Ali Ahmad Hussein,2009 In Old Arabic poetry from the pre Islamic and early Islamic periods to the end of the orthodox Caliphate one theme is the lightning scene In this the protagonist asserts that he could not sleep because he saw lightning flashing far away in the sky The book explores the various functions of this scene and its relationship with other parts of the poem This study achieves two main goals The first sheds light on two important terms connected with Old Arabic poetry the function and the narration We see how a certain element can function differently from text to text and how these different functions influence the narration of a poem and consequently make it to some degree idiosyncratic i e a text that differs from other poems that include the same element The second purpose is to make a comprehensive study of the components namely the motifs included in the lightning scenes Here the author reaches conclusions regarding whether these components differ significantly from text to text or whether they are merely repetitions In other words this study examines whether the lightning scenes in themselves are idiosyncratic or on the contrary are fossilized and conventional follow long established poetic traditions *The Straw, the Voice of the End Times* David KAM,2022-11-29 A Gentle Voice from the Wilderness in the End Times Occurrence of similar events in the Bible highlights the significance of both events Since the

last message from Malachi about sending us Elijah there was no further message from God for 400 years The silence was broken by the voice of John the Baptist The Lord came and ascended to come again but in a theophany called Paul in a very bright light from heaven and converted him The call is emphasized three times in the Bible After 1 500 years God similarly called Martin Luther in a bolt of lightning from heaven and also converted him Since the Reformation and the revelation from the Bible about salvation similarly there has been silence of no further revelation for 500 years Listen brethren A gentle voice has broken the silence of this 500 years It is the revelation of the well organized parallel structure hidden for 2 000 years from the book of James that Luther drew our attention to it by ironically labeling it the Epistle of Straw and commenting on it being a book in disorderly fashion but of good sayings Brethren the twelve tribes who are dispersed abroad note the mystery hidden for 2 000 years Last time the Lord came when the silence was broken by a voice crying in the wilderness It is the end of times Take heed to the teachings in the gentle voice from the Straw The Lord is near right at the door Be a prudent virgin to bring oil in flask for the lamp and meet the bridegroom

The Ruthwell Cross and its Texts Kerstin Majewski, 2022-10-24 The Ruthwell Cross is one of the finest Anglo Saxon high crosses that have come down to us The longest epigraphic text in the Old English Runes Corpus is inscribed on two sides of the monument it forms an alliterative poem in which the Cross itself narrates the crucifixion episode Parts of the inscription are irrevocably lost This study establishes a historico cultural context for the Ruthwell Cross s texts and sculptures It shows that The Ruthwell Crucifixion Poem is an integral part of a Christian artefact but also an independent text Although its verses match closely with lines of The Dream of the Rood in the Vercelli Book a comparative analysis gives new insight into their complex relationship An annotated transliteration of the runes offers intriguing information for runologists Detailed linguistic and metrical analyses finally yield a new reconstruction of the lost runes All in all this study takes a fresh look at the Ruthwell Cross and provides the first scholarly edition of the reconstructed Ruthwell Crucifixion Poem one of the earliest religious poems of Anglo Saxon England It will be of interest to scholars and students of historical linguistics medieval English literature and culture art history and archaeology
