Against the Gods John D. Currid,2013-08-31 Did Moses borrow ideas from his cultural neighbors when he wrote the Pentateuch Scholars disagree on the relationship between portions of the Old Testament and similar ancient Near Eastern accounts Following in the footsteps of higher critics some evangelical scholars now argue that Moses drew significantly from the worldview of his pagan contemporaries Respected Old Testament scholar John Currid however pushes back against this trend by highlighting the highly polemical nature of Moses writings From the Genesis creation account to the story of Israel s exodus from Egypt Currid shows how the biblical author s continually emphasized the futility of paganism in contrast with the unparalleled worldview of the Hebrews Currid s penetrating analysis and thoughtful argumentation make this a ground breaking resource for anyone interested in this ongoing discussion      Ola El-Aguizy,Mohamed Sherif Ali,2010

Isis, Dionysos, Hermes. Three Studies in Henotheism** Henk Versnel,2015-09-01 This is the first of a two volume collection of studies in inconsistencies in Greek and Roman religion Their common aim is to argue for the historical relevance of various types of ambiguity and dissonance The first volume focuses on the central paradoxes in ancient henotheism The term henotheism a modern formation after the stereotyped acclamation EIS O QEOS one is the god common to early Christianity and contemporaneous paganism denotes the specific devotion to one particular god without denying the existence of or even cultic attention to other gods After its prime in the twenties and thirties of this century the term fell into disuse Nonetheless the notion of henotheism represents one of the most remarkable and significant shifts in Graeco Roman religion and hence deserves fresh reconsideration      **A Cry of the Just Against Oppression ...** Thomas Goodaire,1660

Luther's Outlaw God Steven D. Paulson,2019-09-03 In this second of three volumes addressing Luther s outlaw God Steven D Paulson uses several biblical figures Ezekiel Jonah Moses David and more to illustrate Luther s understanding of

law and gospel and what this means for preaching Paulson shows that the challenge of all preaching is revealing God's actual grace without using the law at all The gospel is what freed Luther from thinking of the world as split into two an obscure world where law accuses and a magical world where the law blesses With remarkable depth and clarity Paulson explores the question Where do we find a gracious God For Luther it was not in the law but only in the publicly executed and hated God Jesus Christ hidden in the cross
