 Sidney St. James,1900 TEARS ARE WORDS FROM THE HEART has a setting in Austin Texas in 1960 One would have to
 caution our lovers that romance can t be found in a store Whatever is in Capital Plaza isn t what they were looking for
 Passion is fueled by self love and would be dealt a mortal blow by selfishness Romance is when they get totally lost in a
 moment with each other a moment made sacred for just the two of them Their romantic bond is from one heart to another

one mind to another and definitely one soul to another So when our characters feel romance for real they should treasure it always the right way as something special between just the two of them The true love our characters in this novel mutually felt is wealth money can't buy There's a primary reason why Eros that mischievous God was believed by Greek Mythology to be the brother of Chaos The ancient mythologists understood the power of all forms of love Erotic desire is fierce and wild When friendships like that of Grayson Schiff and Kaytlyn Robertson become both familial and wild we have a dangerous animal on the loose The object of their desire should not be with each other but it was Did Grayson want to be more than just friends Was he only infatuated by the beauty of Kaytlyn who was engaged to Landon Hartstein As friends they stand side by side not looking deeply into each other's eyes only outward to shared interests This boundary established between them was one they each wanted to cross but unknown circumstances prevented them from doing so Like many friends who are smitten they each mistake these signals and fall into erotic patterns that nearly end their friendship forever When Grayson focused his love craving at his new found friend he threatened the integrity of their friendship and entered into a dangerous liaison Grayson fell in love the night he first met Kaytlyn She was cold and wet her hair matted and had thoughts of ending it all Her plunge from the bridge almost happened but he saved her in the nick of time Their attraction to each other was palpable intense and circumscribed by their commitments to other people Hers with Landon Hartstein and his with Abigail McCarthy The absence of sex only made the heat stronger between the two Their romantic bond is from one heart to another one mind to another and one soul to another Finally when two people feel the romance is real they will treasure it always the right way as something special between only the two of them But the question to ask is Which two
