Sweet Water Laurie Lewis,2018-07-09 Olivia joined friends Hudson Bauer and Jeff McAllister in developing a business but while she and Hudson dreamed of using their success to improve the world Jeff set his sights and fortunes on Olivia On the most important night of Hudson s life Olivia and Jeff suddenly eloped Betrayed Hudson ended the partnership throwing Jeff and Olivia aside as he made his own fortune Ten years later a tragic

accident leaves Olivia's body and heart battered and her dreams of a family destroyed. She is forced to accept Hudson's offer to recuperate at his parents' empty house on Oregon's Cannon Beach but her return to the place where the three friends once summered casts new light on her hasty marriage and on the enemy she once called friend. When Hudson offers Olivia a job doing humanitarian work something hopeful and familiar awakens in her. But guilt over Jeff's death leaves her stuck between grief and the memory of what she and Hudson almost had. All her life other people have made decisions for Olivia but now the future is up to her. That is if she can make peace with the past and embrace a future with a man she once hated before Hudson walks away again closing the door on their possibilities forever.

The Strivers Phil Wallace Payne, 2012-07-31

Civilization is in an energy crisis. Human beings have wasted away the majority of their natural resources but without energy the world will die. Who will come to the rescue? In secret a technical team of geniuses has developed a way to harvest usable and never ending energy from polar seas. In concept their mission is simple in delivery it proves to be difficult and possibly tragic. *The Strivers* tells a story of life, love and the labors undertaken by a brave few who believe in the energy of the ocean. From diverse backgrounds the team is brought together by a shared mission they change each other and relationships evolve that never would have flourished without the world's energy crisis. They are inventors but they are also human beings looking for connection in an inhospitable place. With luck the team will find a way to convert ocean energy into the next great fuel for mankind. If they fail they will not only lose their own lives but they will cause the extinction of planet Earth. Human life is in the hands of the strivers who must harness the fury of the sea to save the world. Will they succeed or will the weakness of their humanity make them fail.

Something Foul at Sweetwater Sandra Bretting, 2016-12-20 A Louisiana hatmaker blows the lid off a deadly real estate deal in this Southern mystery by the national bestselling author of *Murder at Morningside*. Louisiana hat designer Missy DuBois has had a longstanding love affair with antebellum architecture. So when the Sweetwater mansion goes on the market for a fraction of what she'd expect she's tempted to set up shop surrounded by alabaster columns and gleaming mahogany. The Southern connections only deepen when the real estate agent turns out to be Missy's old sorority sister Mellette Babineaux. But when Missy drags her best friend Bo along to the mansion for a second look they barely make it past the live oaks before they discover Mellette dead in a shed. Now for the sake of her college friend Missy starts investigating everyone from a superstitious Cajun caretaker to a Rolls Royce driving billionaire and finding that lots of closet space can mean lots of skeletons too.

Hard Road West Keith Heyer Meldahl, 2020-03-04 The dramatic journeys of the 19th century Gold Rush come to

life in this geologist's tour of the American West and the events that shaped the land In 1848 news of the discovery of gold in California triggered an enormous wave of emigration toward the Pacific The dramatic terrain these settlers crossed is so familiar to us now that it is hard to imagine how frightening even godforsaken its sheer rock faces and barren deserts once seemed to them Hard Road West brings their perspective vividly to life weaving together the epic overland journey of the covered wagon trains and the compelling story of the landscape they encountered Taking readers along the 2 000 mile California Trail Keith Meldahl uses settler's diaries and letters as well as his own experiences on the trail to reveal how the geology and geography of the West shaped our nation's westward expansion He guides us through a landscape of sawtooth mountains following the meager streams that served as lifelines through an arid land all the way to California itself where colliding tectonic plates created breathtaking scenery and planted the gold that lured travelers west in the first place Alternates seamlessly between vivid accounts of the 19th century journey and lucid explanations of the geological events that shaped the landscape traveled Library Journal

Cattle Kate Jana Bommersbach, 2014-10-07 A fascinating and disturbing look at a very dark chapter in the annals of the American West C J BOX New York Times bestselling author Cattle Kate is the only woman ever lynched as a cattle rustler History called it range land justice when she was strung up in Wyoming Territory on July 20 1889 tarring her as a dirty thief and a filthy whore But history was wrong It was all a lie Her real name was Ella Watson She wasn't a rustler She wasn't a whore And she'd never been called Cattle Kate until she was dead and they needed an excuse She was really a 29 year old immigrant homesteader lynched with her husband by her rich and powerful cattle baron neighbors who wanted her land and its precious water rights Some people knew the truth from the start Their voices were drowned out by the all powerful Wyoming Stock Growers Association And those who dared speak out including the eyewitnesses to the hangings either disappeared or mysteriously died There was no one left to testify against the vigilantes when the case eventually came to trial Her six killers walked away scot free But the legend was stronger than the truth For over a century newspapers magazines books movies too spread her ugly legacy Now on the 125th anniversary of her murder the real Ella comes alive in Cattle Kate to tell her heartbreaking story Jana Bommersbach's debut novel bares a legend central to the western experience

Fleenor,2012-03-09 Fleenor s new novel Sweet Water is walking the tightrope between the genre of American Theological History and poignant short stories of broken people looking for meaning It takes its title from a fictitious small town in Oregon not far from the I 5 corridor Somewhere out there there is a serial killer The diverse characters are strong men and women enduring against great odds Scarred they still seethe with their frayed emotions Sweet Water is a readable story of an archetypical American Church known as the Restoration Movement This one American Church is divided and troubled It reflects our polarized America In this land of pragmatist some atheist and agnostics find little use for Christianity since they see it in conflict with their changing mores In contrast other Americans hold on desperately to an increasingly extreme fundamentalist faith Is there a middle course Can a truth seeker find an authentic faith Mr Fleenor s multi layered answer will rivet the readers interest **The Sweetwater** Jean Rikhoff,1976
