## **A Hero Of American Hearts Dr Harvinder Sahota Pioneer In Angioplasty:**

A Hero of American Hearts Gurmukh Singh, 2004-01-01 Virtually every Indian settled abroad particularly in the US has scripted a success story Countless have reached the pinnacle in their chosen fields Silicon Valley is teeming with Indian super achievers this success saga began with doctors in the 1970s Today their crowning success is exemplified by Dr Harvinder Sahota who pioneered perfusion ballon angioplasty in teh 1980s With more than twenty four patents to his credit Los Angels based Sahota is a topranked cardiologist inteh world today *Historical Dictionary of Sikhism* Louis E. Fenech, W. H. McLeod, 2014-06-11 Sikhism traces its beginnings to Guru Nanak who was born in 1469 and died in 1538 or 1539 With the life of Guru Nanak the account of the Sikh faith begins all Sikhs acknowledging him as their founder Sikhism has long been a little understood religion and until recently they resided almost exclusively in northwest India Today the total number of Sikhs is approximately twenty million worldwide About a million live outside India constituting a significant minority in the United Kingdom Canada and the United States Many of them are highly visible particularly the men who wear beards and turbans and they naturally attract attention in their new countries of domicile This third edition of *Historical Dictionary of Sikhism* covers its history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 1000 cross referenced entries on key persons organizations the principles precepts and practices of the religion as well as the history culture and social arrangements This book is an excellent access point for students researchers and anyone wanting to know more about Sikhism The A to Z of Sikhism W. H. McLeod, 2009-07-24 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become considerably less exotic but hardly better known to outsiders This reference is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred entries which present the gurus and other leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a bibliography provides readers with an informative and accessible guide toward understanding Sikhism *Straight from the Heart* Chandrava Chakravarty, 2017
