Graves, 2023-12-11 And They Were Wonderful Teachers Florida's Purge of Gay and Lesbian Teachers is a history of state oppression of gay and lesbian citizens during the Cold War and the dynamic set of responses it ignited Focusing on Florida's purge of gay and lesbian teachers from 1956 to 1965 this study explores how the Florida Legislative Investigation Committee commonly known as the Johns Committee investigated and discharged dozens of teachers on the basis of sexuality Karen L Graves details how teachers were targeted interrogated and stripped of their professional credentials and she examines the extent to which these teachers resisted the invasion of their personal lives She contrasts the experience of three groups civil rights activists gay and lesbian teachers and University of South Florida personnel called before the committee and looks at the range of response and resistance to the investigations Based on archival research conducted on a recently opened series of Investigation Committee records in the State Archives of Florida this work highlights the importance of sexuality in American and education history and argues that Florida's attempt to govern sexuality in schools implies that educators are distinctly positioned to transform dominant ideology in American society **Freedom's Teacher** Katherine Mellen Charron, 2009 Septima Poinsette Clark's gift to the civil rights movement was education In the mid 1950s this former public school teacher developed a citizenship training program that enabled thousands of African Americans to register to vote and then to link the po **Split Screen Nation** Susan Courtney, 2017 Analyzing an eclectic history of film and related media Split Screen Nation argues that popular visions of the American West and the American South must be thought in relation to one another if we are to fully understand the marks both have left on popular ways of imagining the U S **Why Rural Schools Matter** Mara Casey Tieken, 2014 Why Rural Schools Matter *The Paradox of Tar Heel Politics* Rob Christensen, 2010 How can a state be represented by Jesse Helms and John Edwards at the same time Journalist Rob Christensen answers that question and navigates a century of political history in North Carolina one of the most politically vibrant and competitive southern Why Busing Failed Matthew F. Delmont, 2016-03-01 Busing in which students were transported by school buses to achieve court ordered or voluntary school desegregation became one of the nation's most controversial civil rights issues in the decades after Brown v Board of Education 1954 Examining battles over school desegregation in cities like Boston Chicago New York and Pontiac Why Busing Failed shows how school officials politicians courts and the news media valued the desires of white parents more than the rights of black students and how antibusing parents and politicians borrowed media strategies from the civil rights

movement to thwart busing for school desegregation This national history of busing brings together well known political figures such as Richard Nixon and Chicago Mayor Richard J Daley with less well known figures like Boston civil rights activist Ruth Batson Florida Governor Claude Kirk Pontiac housewife and antibusing activist Irene McCabe and Clay Smothers the self proclaimed most conservative black man in America This book shows that busing failed to more fully desegregate public schools because school officials politicians courts and the news media valued the desires of white parents more than the rights of black students Provided by publisher *Reading, Writing, and Segregation* Sonya Yvette Ramsey, 2008 Female educators story of the segregation and integration of Nashville schools **Deluxe Jim Crow** Karen Kruse Thomas, 2011 Thomas provides a detailed history of federal health policy as it was applied to the U S South in the mid twentieth century a period when the region was described as the number one health problem in the nation In particular she focuses on how reformers early emphasis on across the board regional uplift was eclipsed by efforts to desegregate medical facilities and address racial disparities in the health care system Provided by publisher **Brown V.
