Always Hiding:

Hiding From Christmas MaryAnn Clarke, 2022-06-23 Hiding from Christmas Off the Grid Christmas Book 1 He s been hiding from the world since he lost his family in a brutal attack She s just hiding from her family for the holidays What happens when they find each other Elle I couldn t face the piteous glances of my family over the holidays after my fianc Austin unceremoniously dumped me I was too tame too awkward too vanilla too risk averse Glad he took five years to figure that out I m devastated Humiliated And angry I told Mom I couldn t bear the thought of coming home for the holidays I d rather be alone Anything was better than their sympathy but my own company didn t promise to be any better That s why I jumped at the chance to visit my eccentric aunt Muriel in a remote village on the West coast of Mexico Joe No one would call my solitary life here uncomplicated but on the surface it s simple enough After seven years in exile I m used to my routine and my solitude though my grief walks beside me like a silent companion As much as I might like to go back to my old life I could never put the people I trust love and depend upon at risk Never again I m regularly reminded that the cost would be too high Especially this time of year when a cruel gift arrives from my nemesis My sixth Christmas alone in Mexico The anniversary of the date I lost everything I m expecting the package right on schedule But I m not expecting the clumsy beautiful bewildering blonde that crashes into my world and turns it inside out This book was previously published as part of the limited edition Secret Santa A Christmas Romance Collection charity anthology This version contains a brand new bonus epilogue

Why Are You Hiding, God? D. L. Seeker, 2021-06-18 God why are you hiding You created me in this beautiful world and gave me five senses to explore it with but I can t find you with any of the five senses you gave me Trying to communicate with you is like using a sixth sense that I don t know how to use One day I just popped into this world and I can t see how it began and I can t see beyond death but I still believe someone beyond comprehension had to create this amazing world and me You must want me to find you please show me how I want your love more than I want anyone or anything else

Poetics of Naming George Melnyk, 2003-10-20 The Poetics of Naming is a fascinating blend of postmodern philosophy and mysticism that challenges our conventional view of language It begins with the narrator's discussion of a multi faceted identity based on his name's Because this identity is multi lingual and multi national its layering of the self leads to a confrontation with language The narrator asks what is the relationship between language and truth The formative power of language is great but what happens when we become languageless The book becomes an expression of a mystical experience the narrator calls poesis in which he stepped outside of language Expressing this experience of languagelessness through language is the paradox at the core of the book To achieve a simulation of languageless reality the author uses a variety of linguistic techniques that uproot meanings break up words and reconstruct terms in novel ways Through deconstruction the metaphoric structure of language is revealed This metaphoric structure is itself approached metaphorically so that the reader begins to sense the trap of a linguistic universe from which there is no escape The book is a literary exercise that simulates the author's poesis experience for the reader Eventually the flood of words on the page begins to go out of focus and dissolve as the reader approaches languagelessness The Poetics of Naming is not for the faint of heart It challenges its readers to move away from the comfortable universe of ordinary language and its meanings and enter a world where the boundaries crumble like digital illusions and limitlessness appears on the horizon of consciousness Poesis is frightening frustrating and liberating

Humanity's Deception Niaby Codd, 2024-03-28 Humanity's Deception is a poetry book like no other Channelled from Source this book seeks to take the reader on a journey into truth Both the truth of self and the truth of the society that has created the self that we have become In a bid to help to release people from the chains that we are shackled to each poem takes the reader into a deeper understanding and awareness of how we have become disconnected from the true reality of who we are and who we came here to be My personal mission is to play my part in helping to set as many people free from a system that seeks to control and enslave us as is possible for me to do so This poetry book is an expression of that mission and a step in the right direction to help people to start to see through the open eyes of consciousness Whilst this anthology of poems has been carefully collated in an order that takes the reader on that journey into truth it can also be used as an oracle opening the book up at a random page and receiving the wisdom of the poem that may be just what you needed to hear on that day This is a book that should be read many times The more you go on your journey into truth and the more you discover about who you are and the world in which we live the more you will discover the hidden depths of the messages within the poetry Allow this book to be your guide for the journey into self is the greatest journey that you shall ever take Thoughts from the Mountain, Words from the Heart D.P. Parsons, 2022-06-20 Thoughts from the Mountain Words from the Heart is a book of poems mostly Christian inspired by God and the author's family friends and life These poems are meant to inspire and uplift people as they go along life's journey Life can be trying sometimes so if these poems touch one person's soul then it's worth it all for God doesn't place a dream in your heart and not let it happen *The Woman Who Pretended to Be Who She Was* Wendy Doniger, 2005 Many cultures have myths about self imitation stories about people who pretend to be someone else pretending to be them in effect masquerading as themselves This great theme in literature and in life tells us that people put on masks to discover who they really are under the masks they usually wear so that the mask reveals rather than conceals the self beneath the self In this book noted scholar of Hinduism and mythology Wendy Doniger offers a cross cultural exploration of the theme of self impersonation whose widespread occurrence argues for both its literary power and

its human value The stories she considers range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood They illuminate a basic human way of negotiating reality illusion identity and authenticity not to mention memory amnesia and the process of aging Many of them involve marriage and adultery for tales of sexual betrayal cut to the heart of the crisis of identity These stories are extreme examples of what we common folk do unconsciously every day Few of us actually put on masks that replicate our faces but it is not uncommon for us to become travesties of ourselves particularly as we age and change We often slip carelessly across the permeable boundary between the un self conscious self indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us personally or publicly the version of ourselves that they expect Myths of self imitation open up for us the possibility of multiple selves and the infinite regress of self discovery Drawing on a dizzying array of tales some fact some fiction The Woman Who Pretended to Be Who She Was is a fascinating and learned trip through centuries of culture guided by a scholar of incomparable wit and erudition **Gaslight and Daylight, with Some London Scenes They Shine Upon** George Augustus Sala,1872 *The Wonder's of Life* Elena Belias,2017-11-06 Book Description The Wonder s of life contains Poems of many wonders in life that make us think about Things that happen of the unknown of the mind A mixture for life s happenings Why People do what they do Life s nature Mind blunders hate love ignorance suicide pain endured pain love disabilities fears Short story Poems Wonders of the unexplained
