

The Town Mouse and the Country Mouse

At all a smiling, the kitchen door swung open and the cook called in. They jumped out of the cupboard and ran across to the mouse hole. The country mouse was surprised.

The animal on the floor moved forward and looked straight to the cupboard. Inside were jars of jam and chocolate, bags of sugar, tea and coffee and much more. The country mouse was amazed.

The town mouse invited the country mouse to sample the food that he had used to. The country mouse agreed and they were soon on their way to the town.

The country mouse invited the town mouse to his home for dinner. They sat down to eat, but the town mouse was shocked by the country food. He had never eaten anything so plain and boring!

One year a time, a town mouse had a visit to the countryside and met a country mouse.
