Cowboy And Cossack:

The Cowboy and the Cossack Clair Huffaker, 1973 In the spring of 1880 a group of American cowboys joined by a band of cossacks trek across the siberian wilderness to deliver cattle to a starving town The Cowboy and the Cossack Huffaker, Clair, Holland, Bradford, 1974 The Cossack Cowboy Lester S. Taube, 2012-11-25 Paul Sanderson a thoroughgoing young Victorian gentleman is having a high old time with a regiment of Don Cossacks fighting raping pillaging and burning in the time honored manner when he is recalled to England to inherit a dukedom Soon he is on his travels again this time to the Territory of New Mexico where the old Duke had bought but never taken up the Three Barbs ranch Unfortunately Paul is not the only person who is interested in that particular piece of real estate and he soon learns that a land hungry railroad tycoon wants to have him killed to possess it What happens when Paul meets the daughter of his would be assassin on a wolf infested mountain starts a chain of horrific events that will keep the reader on the edge of his chair right up to the startling climax About the Author Lester Taube was born of Russian and Lithuanian immigrants in Trenton New Jersey He began soldiering in a horse artillery regiment while in his teens where in four years he rose from the grade of private to the exalted rank of private first class During World War II he became an infantry platoon leader and participated in operations in the Bismarck Archipelago was attached to the 3rd Marines for action on Iwo Jima and finally combat on Okinawa the last battle of the war After leaving the army and recuperating from wounds and malaria he became general manager of a 400 employee electronic company in California manager of a 450 employee paper stock company in Pennsylvania and finally opened a logging and pulpwood cutting operation in Canada Called back to duty during the Korea Police Action he served as an advisor to the Turkish army then as an intelligence officer and company commander in Korea During the Vietnam period he was stationed in France and Germany as a general staff officer working in intelligence and war plans Prior to retirement as a full colonel he moved to a small village in the mountains of North Tyrol Austria and kept a boat for five years on the Cote d Azur France He began writing novels while in France and after producing four books which were published in a number of countries and selling two for motion pictures he stopped as there was heavy soldiering to do and children to raise Returning to the U S after 13 years overseas he worked as an economic development specialist for the State of New Jersey helping companies move to New Jersey or expand therein He has four children all born in different countries A Literary History of the American West Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance Frederic Remington and the West Ben Merchant Vorpahl, 2014-11-11 A biography of the artist examining his complex relationship with the American West and how he

expressed his imagination Frederic Remington and the West sheds new light on the remarkably complicated and much misunderstood career of Frederic Remington This study of the complex relationship between Remington and the American West focuses on the artist s imagination and how it expressed itself Ben Merchant Vorpahl considers all the dimensions of Remington s extensive work from journalism to fiction sculpture and painting He traces the events of Remington s life and makes extensive use of literary and art criticism and nineteenth century American social cultural and military history in interpreting his work Vorpahl reveals Remington as a talented sensitive and sometimes neurotic American whose work reflects with peculiar force the excitement and distress of the period between the Civil War and the Spanish American War Remington was not a western artist in the conventional sense neither was he a historian he lacked the historian s breadth of vision and discipline expressing himself not through analysis but through synthesis Vorpahl shows that even while Remington catered to the sometimes maudlin sometimes jingoistic tastes of his public and his editors his resourceful imagination was at work devising a far more demanding and worthwhile design a composite work executed in prose pictures and bronze This body of work as the author demonstrates demands to be regarded as an interrelated whole Here guilt shame and personal failure are honestly articulated and death itself is confronted as the artist s chief subject Because Remington was so prolific a painter sculptor illustrator and writer and because his subjects techniques and media were so apparently diverse the deeper continuity of his work had not previously been recognized This study is a major contribution to our understanding of an important American artist In addition Vorpahl illuminates the interplay between history artistic consciousness and the development of America s sense of itself during Remington s lifetime The Cowboy and the Cossack Merline
