

# A FOOL'S ERRAND

ALBION W. TOURGÉE

EDITED BY JOHN HOPE FRANKLIN

*"A significant and unusually original portrayal, criticism, and  
analysis of postwar southern society . . . It offers excitement,  
idealism, and romance."*

— North Carolina Historical Review

# A Fools Errand The John Harvard Library

**John David Smith,J. Vincent Lowery**

## **A Fools Errand The John Harvard Library:**

*A Fool's Errand* Albion Winegar Tourgee, 1969      *Ragtime in the White House* Eliot Vestner, 2020-06-16 History played a trick on McKinley He has been consigned to the shadows between Lincoln and Theodore Roosevelt vilified or ignored by historians It is a richly undeserved fate As Eliot Vestner demonstrates in this narrative of the political life of William McKinley there was much more to the twenty fifth president's tenure in office than history books allow He was a popular president winning a second term with ease But only nine months into it he was assassinated by a self described anarchist What more he might have accomplished is anyone's guess He had managed to successfully pull America out of one of the worst economic depressions yet experienced the Panic of 1893 And his controversial tariffs strengthened industry and contributed to the overall wealth of the country as did his return of the country to the gold standard He also led the U S to victory in the Spanish American war and implemented the first steps toward building the Panama Canal which his successor Theodore Roosevelt continued Perhaps the most under appreciated aspect of McKinley's presidency was his advocacy for black civil rights and his challenge to the white supremacy of the south As governor of Ohio he fought against lynching He signed a ground breaking anti lynching bill Ironically as president he had a much more difficult time combating violence and racial injustice because of the use of states rights as justification for voter suppression and terrorism towards blacks He pursued opportunities to advance the interests of black Americans wherever he could but his inability to stop the lynchings and disfranchisement of blacks was most regrettable His successors had no interest in the race issue which remained unresolved until the 1954 court decision in *Brown v The Board of Education* This book gives McKinley his due and thereby helps us better understand a President of the United States whose work has seemingly been overlooked by most Americans today      *Peace in the US Republic of Letters, 1840-1900* Sandra M. Gustafson, 2023-09-06 *Peace in the US Republic of Letters 1840 1900* explores the early peace movement as it captured the imagination of leading writers The book charts the rise of the peace cause from its sources in the works of William Penn and John Woolman through the founding of the first peace societies in 1815 and the mid century peace congresses to the postbellum movement's consequential emphasis on arbitration The Civil War is the central axis for the book with three chapters organized around readings of novels by James Fenimore Cooper Harriet Beecher Stowe and Nathaniel Hawthorne spanning the period from 1840 to 1865 Cooper had personal connections to the movement and thought deeply about the issues it addressed Literary interest in peace at times overlapped with abolitionism as was true for Stowe And in the case of Hawthorne attention to peace advocacy arose out of a mixture of skepticism regarding perfectionist impulses a desire to explore the nature and limits of violence and fear of civil conflict The volume also explores fiction engaged with problems that arose in the aftermath of that war including novels by Henry Adams and John Hay on political corruption and class conflict works on the failures of Reconstruction by Albion Tourgee and Charles Chesnutt and the varied treatments of Indigenous experience in Helen Hunt Jackson's *Ramona* and Simon

Pokagon s Queen of the Woods All of these writers focused on issues related to the cause of peace expanding its thematic reach and anticipating key insights of twentieth century peace scholars D.W. Griffith's the Birth of a Nation Melvyn Stokes,2008-01-15 In this deeply researched and vividly written volume Melvyn Stokes illuminates the origins production reception and continuing history of this aesthetically ground breaking and yet highly controversial movie A must read for anyone interested in the cinema it sheds light on both the film s racism and the artistic brilliance of Griffith s filmmaking

*The British Library General Catalogue of Printed Books to 1975* British Library,1986 **American Literature Before 1880** Robert Lawson-Peebles,2003-11-13 American Literature Before 1880 attempts to place its subject in the broadest possible international perspective It begins with Homer looking westward and ends with Henry James crossing the Atlantic eastwards In between the book examines the projection of images of the East onto an as yet unrecognised West the cultural consequences of Viking Colombian and then English migration to America the growth and independence of the British American colonies the key writers of the new Republic and the development of the culture of the United States before and after the Civil War It is intended both as an introduction for undergraduates to the richness and variety of American Literature and as a contribution to the debate about its distinctive nature The book therefore begins with a lengthy survey of earlier histories of American Literature **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1962 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December

**American Lynching** Ashraf H. A. Rushdy,2012-10-30 A history of lynching in America over the course of three centuries from colonial Virginia to twentieth century Texas After observing the varying reactions to the 1998 death of James Byrd Jr in Texas called a lynching by some denied by others Ashraf Rushdy determined that to comprehend this event he needed to understand the long history of lynching in the United States In this meticulously researched and accessibly written interpretive history Rushdy shows how lynching in America has endured evolved and changed in meaning over the course of three centuries from its origins in early Virginia to the present day A work of uncommon breadth written with equally uncommon concision Excellent N D B Connolly Johns Hopkins University Provocative but careful opinionated but persuasive Beyond synthesizing current scholarship he offers a cogent discussion of the evolving definition of lynching the place of lynchers in civil society and the slow in coming end of lynching This book should be the point of entry for anyone interested in the tragic and sordid history of American lynching W Fitzhugh Brundage author of Lynching in the New South Georgia and Virginia 1880 1930 A sophisticated and thought provoking examination of the historical relationship between the American culture of lynching and the nation s political traditions This engaging and wide ranging meditation on the connection between democracy lynching freedom and slavery will be of interest to those in and outside of the academy William Carrigan Rowan University In this sobering account Rushdy makes clear that the cultural values that authorize racial violence are woven into the very essence of what it means to be American This book helps us make sense of our past as well as our

present Jonathan Holloway Yale University      **Democracies in America** D. Berton Emerson, Gregory Laski, 2023-01-04 Ask someone their thoughts about democracy and you'll get many different responses Some may presume it a thing once established yet now under threat Others may believe that democracy has always been compromised by the empowered few In the contemporary United States marked by constituencies across the political spectrum believing that their voices have gone unheard democracy gets wielded in so many divergent directions as to be rendered nearly incoherent Democracies in America reminds us that this reality is nothing new Focusing on the various meanings of democracy that circulated in the long nineteenth century the book collects twenty five essays each taking up a keyword in the language we use to talk about democracy Penned by a group of diverse intellectuals the entries tackle terms both commonplace citizenship and representation and paradigm stretching disgust and sham The essays thus consider the relationship between America and democracy from multiple disciplinary angles and from different moments in a major historical period amidst the vitality of the revolutionary epoch in the contentious lead up to the Civil War and through the triumphs and failures of Reconstruction and the early reforms of the Progressive Era while making both forward and backward glances in time The book frames its keywords around a series of enduring democratic dilemmas and questions and provides extensive resources for further study Ultimately the volume cultivates for students and teachers in classrooms as well as citizens in libraries and cafés a language to deliberate about the possibilities and problems of democracy in America      **The Journal of Negro History** Carter Godwin Woodson, Rayford Whittingham Logan, 1962      **A Fool's Errand** Albion W. Tourgée, 1961 Though the discussion of sectional and racial problems is an important element in the book A Fool's Errand has merit as a dramatic narrative with its love affair and its moments of pathos suffering and tragedy This combination of tract and melodrama made it a bestseller in its day      Racism and Anti-racism in American Popular Culture Catherine Silk, John Silk, 1990      **A People at War** Scott Reynolds Nelson, Carol Sheriff, 2007-04-16 Claiming more than 600 000 lives the American Civil War had a devastating impact on countless numbers of common soldiers and civilians even as it brought freedom to millions This book shows how average Americans coped with despair as well as hope during this vast upheaval A People at War brings to life the full humanity of the war's participants from women behind their plows to their husbands in army camps from refugees from slavery to their former masters from Mayflower descendants to freshly recruited Irish sailors We discover how people confronted their own feelings about the war itself and how they coped with emotional challenges uncertainty exhaustion fear guilt betrayal grief as well as physical ones displacement poverty illness disfigurement The book explores the violence beyond the battlefield illuminating the sharp edged conflicts of neighbor against neighbor whether in guerilla warfare or urban riots The authors travel as far west as China and as far east as Europe taking us inside soldiers' tents prisoner of war camps plantations tenements churches Indian reservations and even the cargo holds of ships They stress the war years but also cast an eye at the tumultuous decades that preceded and followed the battlefield confrontations An engrossing account

of ordinary people caught up in life shattering circumstances A People at War captures how the Civil War rocked the lives of rich and poor black and white parents and children and how all these Americans pushed generals and presidents to make the conflict a people's war

**The Inner Civil War** George M. Fredrickson, 1965 The Inner Civil War first published more than twenty five years ago is a classic that has influenced historians' views of the Civil War and American intellectual change in the nineteenth century This edition includes a new preface in which the author demonstrates the continuing relevance of the work and updates its interpretations

*The Independent Reflector Or, Weekly Essays on Sundry Important Subjects More Particularly Adapted to the Province of New York* William Livingston, 1963-11 *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries, 1979

*The Dunning School* John David Smith, J. Vincent Lowery, 2013-10-14 From the late nineteenth century until World War I a group of Columbia University students gathered under the mentorship of the renowned historian William Archibald Dunning 1857-1922 Known as the Dunning School these students wrote the first generation of state studies on the Reconstruction volumes that generally sympathized with white southerners interpreted radical Reconstruction as a mean spirited usurpation of federal power and cast the Republican Party as a coalition of carpetbaggers freedmen scalawags and former Unionists Edited by the award winning historian John David Smith and J Vincent Lowery The Dunning School focuses on this controversial group of historians and its scholarly output Despite their methodological limitations and racial bias the Dunning historians' writings prefigured the sources and questions that later historians of the Reconstruction would utilize and address Many of their pioneering dissertations remain important to ongoing debates on the broad meaning of the Civil War and Reconstruction and the evolution of American historical scholarship This groundbreaking collection of original essays offers a fair and critical assessment of the Dunning School that focuses on the group's purpose the strengths and weaknesses of its constituents and its legacy Squaring the past with the present this important book also explores the evolution of historical interpretations over time and illuminates the ways in which contemporary political racial and social questions shape historical analyses

**West from Appomattox** Heather Cox Richardson, 2007-03-28 This thoughtful engaging examination of the Reconstruction Era will be appealing to anyone interested in the roots of present day American politics Publishers Weekly The story of Reconstruction is not simply about the rebuilding of the South after the Civil War In many ways the late nineteenth century defined modern America as Southerners Northerners and Westerners forged a national identity that united three very different regions into a country that could become a world power A sweeping history of the United States from the era of Abraham Lincoln to the presidency of Theodore Roosevelt this engaging book tracks the formation of the American middle class while stretching the boundaries of our understanding of Reconstruction Historian Heather Cox Richardson ties the North and West into the post Civil War story that usually focuses narrowly on the South By weaving together the experiences of real individuals who left records in their own words from ordinary Americans such as a

plantation mistress a Native American warrior and a labor organizer to prominent historical figures such as Andrew Carnegie  
Julia Ward Howe Booker T Washington and Sitting Bull Richardson tells a story about the creation of modern America

### **A Fools Errand The John Harvard Library Introduction**

In the digital age, access to information has become easier than ever before. The ability to download A Fools Errand The John Harvard Library has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A Fools Errand The John Harvard Library has opened up a world of possibilities. Downloading A Fools Errand The John Harvard Library provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A Fools Errand The John Harvard Library has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A Fools Errand The John Harvard Library. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A Fools Errand The John Harvard Library. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading A Fools Errand The John Harvard Library, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A Fools Errand The John Harvard Library has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About A Fools Errand The John Harvard Library Books**

1. Where can I buy A Fools Errand The John Harvard Library books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a A Fools Errand The John Harvard Library book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of A Fools Errand The John Harvard Library books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
