**The Fragrance of Life** Carl L. Blenman, 2016-04-07 The Fragrance of Life is a compilation of things thoughts and ideas It gives a spiritual significance to life and I hope it will stir within the heart of the reader to look to God who is the source of all things thoughts and ideas Everything we see has its origin in the spiritual realm some are good and some are not good Our material world is a manifestation of the spiritual world We are spirit have a soul and live in a body God in His infinite wisdom created everything good for His purpose pleasure and will but He also created them for our benefit and enjoyment In the beginning was God and in God was the beginning Out of Him came everything pertaining to life and godliness The Fragrance of Life is not a theological exposition it is just a way to look at the everyday things around us When we by God s wisdom can relate to and understand the things seen with the things not seen we will better understand our being and God s purpose for our lives     Nourishing the Soul Anne Adamcewicz Simpkinson, Charles H.
