The God who Becomes Redundant Diarmuid Ó Murchú,1986 **Understanding Sustainable Architecture** Terry J. Williamson, Antony Radford, Helen Bennetts, 2003 This book is a concise review of the assumptions beliefs goals and bodies of knowledge that underlie the endeavour to design environmentally sustainable buildings and other built developments

Revealed Biodiversity Eric L. Jones, 2014 *Revealed Biodiversity An Economic History of the Human Impact* aims to show that for several centuries environmental conditions have been substantially the product of economic fluctuations It contests the notion of perpetual decline in species composition The arguments are supported by far more precise historical detail than is usual in books about ecology The need to take the gains to human society into account when assessing environmental change is strongly emphasized The book features case studies including England the Netherlands USA East Asia Brazil and the areas of modern agricultural OCyland grabOCO This book is important for its close attention to the documented historical record of environmental change in several countries over several centuries for its demonstration of how much wildlife populations have been influenced by fluctuations in market activity for revealing the need to be sensitive to historical baselines and for emphasizing the imperative of taking the gains to human society into account when assessing environmental change It therefore has considerable significance for environmental and conservation policies as well as for future studies in ecological history *Urban Development in Historic and Modern Islamic Cities* Ayyub Malik, 1977 **The Use of English** ,1974 **Getting the Gospel Right - A Balanced View of Salvation Truth** Carl Gordon Olson, 2005-11 A revised and abridged edition of *Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation in Which* theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006
