## **A Great And Marvelous Work Yet To Come Forth:**

*An Address to All Believers in Christ* David Whitmer, 1887 Discusses the changes in the revelations and the Book of Commandments as well as doctrines of the Church of Christ Whitmer     *The Latter-Day Saints' Millennial Star* ,1897     **A New Witness for God (Complete 3 Volumes)** B. H. Roberts, 2022-11-13 In *A New Witness for God* B H Roberts presents a comprehensive exploration of Mormon faith framed within a rich narrative that combines historical analysis theological inquiry and personal testimony Spanning three volumes this seminal work offers a meticulous examination of the Latter day Saint LDS movement its doctrine and its historical struggles Roberts employs a scholarly yet accessible literary style incorporating a blend of empirical research and spiritual insight that resonates with both believers and skeptics alike This extensive analysis not only reflects the context of early 20th century America but also serves as a pivotal document in the ongoing dialogue about faith revelation and historical legitimacy in religious texts B H Roberts a prominent leader and historian of the Church of Jesus Christ of Latter day Saints was deeply influenced by his experiences as a missionary and church elder which motivated him to defend and articulate the tenets of his faith His academic background and engagement with contemporary theological debates uniquely positioned him to undertake this ambitious project seeking both to affirm the divine origins of Mormonism and to illuminate its cultural significance Readers interested in religious studies American history or the intersection of faith and reason will find *A New Witness for God* to be an indispensable resource Roberts meticulous scholarship and passionate advocacy offer not only a defense of LDS beliefs but also an invitation to ponder broader questions about spirituality and the nature of truth This work remains a vital contribution to understanding both the history and the future of faith     *A New Witness for God Volume 1 (of 3)* Brigham Henry Roberts, 2014-12-02 Example in this ebook Three quarters of a century have passed away since Joseph Smith first declared that he had received a revelation from God From that revelation and others that followed there has sprung into existence what men call a new religion Mormonism and a new church the institution commonly known as the Mormon Church the proper name of which however is THE CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS Though it may seem a small matter the reader should know that Mormonism is not a new religion Those who accept it do not so regard it it makes no such pretensions The institution commonly called the Mormon Church is not a new church it makes no such pretensions as will be seen by its very name the Church of Jesus Christ of Latter day Saints This of itself discloses what The Mormon Church claims to be the Church of Jesus Christ and to distinguish it from the Church of Jesus Christ that existed in former days the phrase of Latter day Saints is added Mormonism I repeat is not a new religion it is the Old Religion the Everlasting Gospel restored again to the earth through the revelations received by Joseph Smith At a glance the reader will observe that these claims in behalf of Mormonism pre suppose the destruction of the primitive Christian Church a complete apostasy from the Christian religion and hence from the standpoint of a believer Mormonism is the Gospel of Jesus Christ restored and the institution which

grows out of it the church is the Church of Jesus Christ re established among men During the three quarters of a century that have elapsed since the first revelation was announced by Joseph Smith the world has been flooded with all manner of rumors concerning the origin of Mormonism its doctrines its organization its purposes its history Books enough to make a respectable library as to size have been written on these subjects but the books in the main are the works of avowed enemies or of sensational writers who chose Mormonism for a subject because in it they supposed they had a theme that would be agreeable to their own vicious tastes and perverted talents and give satisfactory returns in money for their labor This latter class of writers have not only written without regard to truth but without shame They are ghouls who have preyed upon the misfortunes of an unpopular people solely for the money or notoriety they could make out of the enterprise That I may not be thought to overstate the unreliability of anti Mormon literature I make an excerpt from a book written by Mr Phil Robinson called Sinners and Saints Mr Robinson came to Utah in 1882 as a special correspondent of The New York World and stayed in Utah some five or six months making Mormonism and the Latter day Saints a special study On the untrustworthiness of the literature in question he says Whence have the public derived their opinions about Mormonism From anti Mormons only I have ransacked the literature of the subject and yet I really could not tell anyone where to go for an impartial book about Mormonism later in date than Burton s City of the Saints published in 1862 But put Burton on one side and I think I can defy any one to name another book about the Mormons worthy of honest respect From that truly awful book The History of the Saints published by one Bennett even an anti Mormon has styled him the greatest rascal that ever came to the West in 1842 down to Stenhouse s in 1873 there is not to my knowledge a single Gentile work before the public that is not utterly unreliable from its distortion of facts Yet it is from these books for there are no others that the American public has acquired nearly all its ideas about the people of Utah To be continue in this ebook **A New Witness for God (Vol. 1-3) B. H.**
