**Collective Bargaining in Education** Jane Hannaway, Andrew J. Rotherham, 2006-02-01 This timely and comprehensive volume will spur and strengthen public debate over the role of teachers unions in education reform for years to come. Collective bargaining shapes the way public schools are organized, financed, staffed, and operated. Understanding collective bargaining in education and its impact on the day-to-day life of schools is critical to designing and implementing reforms that will successfully raise student achievement. But when it comes to public discussion of school reform, teachers unions are the proverbial elephant in the room. Despite the tremendous influence of teachers unions, there has not been a significant research-based book examining the role of collective bargaining in education in more than two decades. As a result, there is little basis for a constructive, empirically grounded dialogue about the role of teachers unions in education today.

Federal Labor Relations Authority, 2011 *Decisions of the Federal Labor Relations Authority* Federal Labor Relations Authority, 2013-02 The Decisions of the Federal Labor Relations Authority is a published series of bound volumes of FLRA decisions Legal precedent set forth in the decisions may be cited by volume and page in proceedings before the

Authority and U S courts All FLRA published decisions that may be cited as precedent are included in this series     State Education Journal Index and Educators' Guide to Periodicals Research Strategies ,1985     *Extraordinary Educators* Charles A. Reavis,1988 Profiles are presented of six superior educators whose students achieved an excellence far beyond what might be expected of them The subjects were a speech and drama teacher a girls basketball coach a choral music teacher an art teacher and principals of an elementary and a secondary school The major finding of the study was that without exception these leaders gave a high number of correctives Any deviations even minor ones from their high standards were corrected quickly and not infrequently very sharply Other significant findings were 1 they were purposive demanding perfectionists 2 they had a sense of humor and tended toward self deprecation 3 they gave only a limited amount of praise 4 they stressed self discipline responsibility and always doing one s best 5 they attained a high amount of time on task and 6 they were very family oriented Comparisons are made between the characteristics of these educators and leaders in the business world Recommendations are made for teacher and administrator education JD     **Collective Bargaining in Higher Education** Daniel J. Julius,1984     **Bulletin of the Public Affairs Information Service** Public Affairs Information Service,1983
