Frontiers of Knowledge: Scientific and Spiritual Sources for a New Era

Douglas Kinney, 2014-06-06 Frontiers of Knowledge is the story of unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe We are birthing a new era in which our ideas about the nature and source of reality are swiftly changing Insights from quantum physics suggest that the basis of our physical world is actually mental conscious thoughts Other discoveries are causing us to redefine our concepts of mind and the elusive thing we call consciousness All strongly hint that spirituality is the underlying source of everything Frontier scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge through systematic investigations of startling phenomena that have been observed in quantum physics cosmology biology psychology disease and healing death near death experiences reincarnation experiences and those occurring in spiritual hypnosis on the nature of the spiritual realm New concepts of reality are especially needed to explain the incredibly finetuned characteristics and the mysterious nature of our physical universe Ninety five percent of the universe s energy and mass are a mystery to scientists and for the moment we resort to naming them dark matter and dark energy The last time a comparable knowledge revolution occurred was in the late sixteenth century when astronomers determined that the planets revolved around the sun not the earth Historians call it the Copernican Revolution because it led to modern Western science From one perspective the new era predicted in this book a revolution in its own right can be considered the completion of the quantum revolution by defining and explaining the role of consciousness in our universe An underlying aspect of this new revolution is the sense that humanity is moving into a new era of rapidly expanding knowledge of the human spirit our soul aspect and non physical realities Until now this emerging knowledge has not been organized into a coherent and comprehensive structure Frontiers of Knowledge provides the first outline of this new structure of reality

Soul Design Linda Backman, 2025-07-08 Discover your soul design comprised of soul origin archetype and purpose and use that knowledge to elevate your current life Drawing from more than forty years as a psychologist and thirty years as a regressionist Dr Linda Backman has developed Soul Essence Psychology a program for examining your current life persona combined with your soul design Through transcripts of client sessions and accompanying exercises this book helps you embrace your higher self in your current life You are uniquely comprised of three ingredients where your soul originates your immortal archetype portrayed throughout your past lives and your pre birth contract containing your life purpose Each chapter of this book builds a program through which you can explore these ingredients Dr Backman helps anyone regardless of spiritual path live a fuller life in alignment with their

soul Real Healing, Real Awakening Phil Golding, 2012-11-20 Do you want to be free of fear confusion and suffering Do you want to gain peace of mind fulfillment and empowerment Do you want to be able to give something positive back to this world as a part of expressing your unique potential This book is designed to help you achieve these goals and to make a real difference to your life It will do this by fundamentally changing the way you see yourself and the world around you This change will both awaken and realign your consciousness to where it is in harmony with the Universal Laws of Consciousness The Universal Laws of Consciousness determine the healing and enlightening of the human mind and its governing Soul All that is needed is your desire to be free and a solid commitment to pursue the ideal of Love as a healing and awakening force in your life Love along with the limitless wisdom that it contains is right with you like your closest companion You may not know this yet You may not be able to feel it yet but you will so long as you don't give up You are on a quest to find your true Self beyond what you can perhaps imagine right now Just know that what you will inevitably find is beautiful beyond description no matter what in your present state of confusion you think you are at this moment The treasure of all treasures awaits you and it has your name on it Real Healing Real Awakening is forged from genuine experience and universal truth It is a guide to awakening to new more expansive levels of consciousness *Journey of Souls* Michael Newton, 2002-09 When

reincarnating do we have a short spell in a disembodied phase Hypnosis reveals what goes on **Healing of the Goddess** Sian, 2013-05-06 Sian is an experienced clairaudient clairvoyant and clairsentient channel of Light who has dedicated many years of her life to the pursuit of helping others improve theirs Now in *Healing of the Goddess* she brings readers within a life changing experience and the epiphany that it inspired After her soul was imploded by a massive psychic force she developed breast cancer causing a near death experience that took fifteen years from her life As she describes an extraordinary experience in her healing journey the hand of God encapsulated her soul with Light giving her the strength and faith to endure long healing process to reinstate her body back to life She explains how breast cancer was the result of a karmic strike and how the Keys of Transformation allowed her to be healed Cancer she has come to understand is a trial by tribulation The *Healing of the Goddess* explores the cause and effect factors that are the real underlying causes of disease and recalls Sian's journey of self healing and transformation The challenge we all face is to truly understand the nature of life energy and healing If life is to be sustained the time has come for humanity to fundamentally address our relationship with all life on this glorious planet This is an auspicious and providential period in human evolution Are we enlightened enough to shepherd in a new era of health and peace or will we condemn it with apathy and ignorance **Wisdom from Your Spirit**
