A Guide To The Papers Of British Cabinet Ministers 1900-1951:

A Guide to the Papers of British Cabinet Ministers, 1900-1951 Cameron Hazlehurst, Christine Woodland, 1974 **A Handlist of British Diplomatic Representatives** Gary M. Bell, 1995 Number 16 in the Royal Society Guides and Handbooks series Modern England 1901-1970 Alfred Havighurst, 1976-05-13 This is a comprehensive bibliography of all printed books articles and standard texts on England Ireland Scotland the Commonwealth and the colonies up to 1970 This handbook will serve as a useful guide to scholars teachers at all levels advanced students and the general reader interested in examining the period in some depth *Historian's Guide to Early British Maps* Helen Wallis, Anita McConnell, 1995-04-06 Great Britain and Ireland enjoy a rich cartographic heritage yet historians have not made full use of early maps in their writings and research This is partly due to a lack of information about exactly which maps are available With the publication of this volume from the Royal Historical Society we now have a comprehensive guide to the early maps of Great Britain The book is divided into two parts part one describes the history and purpose of maps in a series of short essays on the early mapping of the British Isles part two comprises a guide to the collections national and regional Now available from Cambridge University Press this volume provides an essential reference tool for anyone requiring to access maps of the British Isles dating back to the medieval period and beyond *Sources in British Political History 1900-1951* C. Cook, P. Jones, J. Sinclair, Jeffrey Weeks, 1977-04-20 From 1970 to 1977 a major project to uncover source material for students of contemporary British history and politics was undertaken at the British Library of Political and Economic Science Fiananced by the Social Science Research Council and under the direction of Dr Chris Cook this project has attempted a unique and systematic operation to locate and then to make readily available those archives that provide the indispensable source material for the contemporary historian This volume the fifth in the series provides a guide to the papers of propagandists who were influential in British public life Included in this volume are the papers of such persons as newspaper editors leading economists social reformers socialist thinkers trade unionists industrialists and a variety of theologians and philanthropists In all this volume not only completes the findings of the project but opens up the archive sources of a hitherto neglected area of research into contemporary social and political history **Modern England, 1901-1984** Alfred F. Havighurst, 2004-07-08 The most comprehensive bibliography of printed books articles and standard texts on twentieth century England Sources In British Political History, 1900-1951 Chris Cook, Jeffrey Weeks, 1978-10-05 From 1970 to 1977 a major project to uncover source material for students of contemporary British history and politics was undertaken at the British Library of Political and Economic Science Fiananced by the Social Science Research Council and under the direction of Dr Chris Cook this project has attempted a unique and systematic operation to locate and then to make readily available those archives that provide the indispensable source material for the contemporary historian This volume the fifth in the series provides a guide to the papers of propagandists who were influential in British public life Included in this volume are

the papers of such persons as newspaper editors leading economists social reformers socialist thinkers trade unionists industrialists and a variety of theologians and philanthropists In all this volume not only completes the findings of the project but opens up the archive sources of a hitherto neglected area of research into contemporary social and political history

Modern Methods of Teaching Political Science Prem Lata Sharma,2002 *British Sources of Information* P.

Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual **A Bibliography of British History, 1914-1989** Keith

Robbins,American Historical Association,Royal Historical Society (Great Britain),1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index **A Guide to Manuscripts and Documents in the British Isles Relating to the Middle East and North Africa**

Mary Doreen Wainwright,James Douglas Pearson,1980 Dr. Macnamara, 1861-1931 Robin Betts,1999-01-01 This well researched historical biography is the first on Dr T J Macnamara the first ex elementary teacher to win a government post Colleague and close friend of Lloyd George and praised by Winston Churchill Macnamara was an educationist journalist and Cabinet Minister This study of his life and career makes a major contribution to educational history as well as to the history of the Liberal Party the National Union of Teachers NUT and British political history generally Fascinating details of Macnamara s pre Parliamentary career are provided and alongside the biographical account the book deals with a range of major issues with which Macnamara was involved In education government control of school funding and the curriculum in the 1890s is considered together with the emergence of elementary school teachers as powerful public figures the operation and decline of London s first education system the London School Board 1870 1904 and resistance especially in Wales to Balfour s 1902 Education Act Defense issues feature a view of the First World War arms race from inside the Admiralty the Admiralty during the First World War from the standpoint of the only government minister who held the same office throughout the hostilities working with among others Churchill and Balfour Macnamara s establishment of the dole on response to the post war economic slump 1920 22 is also considered Important analysis is included of the fragmentation of the Liberal Party in the 1920s leaving Macnamara as one of the last of Lloyd George s supporters **Politicians and Defence** Ian Frederick William Beckett,John Gooch,1981 *Sources in British Political History 1900-1951* P. Jones,J.

Sinclair,C. Cook,Jeffrey Weeks,1985-04-25 **British Politics and Foreign Policy in the Age of Appeasement, 1935-39**

R. J. Q. Adams, 1993 In this book historian R J Q Adams examines the policy of appeasement so frequently praised as realistic and statesman like in its day and commonly condemned as wrong headed and even wicked in ours Exciting and thoroughly accessible this work explains the motivations and goals of the principal policy makers including Chamberlain Lord Halifax and Sir John Simon as well as those of the chief critics Winston Churchill Anthony Eden and others Sources for the History of European Integration (1945-1955) W. Lipgens, 2024-10-28 **British Archives** Janet Foster, Julia Sheppard, 1995-09-27 Since it was first published in 1982 British Archives has established itself as the premier reference work to holdings of archives and manuscript collections throughout the UK The 3rd edition has been extensively revised and enlarged with more than 150 new entries further widening the range of the book Entries are structured to show the archives of the organisation as distinct from deposited collections and significant non manuscript material and additional details of fax number and conservation provision are included for the first time All the existing entries have been significantly updated together with the select bibliography and list of useful addresses of various organisations involved in the care and custody of archives The introduction provides an invaluable guide to researchers using archives including a summary of the relevant legislation and a detailed description of the usual holdings of county and other local authority record offices **A Guide to Historical Collections of the Nineteenth and Twentieth Centuries Preserved in the House of Lords Record Office** Great Britain. Parliament. House of Lords. Record Office, 1978 **The Russia Complex** Bill Jones, 1977 **London and the Invention of the Middle East** Roger Adelson, 1995-01-01 In the first quarter of the twentieth century the British Government the banks and leading individuals in London reached historic decisions that determined the name shape nature and future of the region known as the Middle East In this fascinating and readable book Roger Adelson examines who made policy on what grounds with what information and with what results The setting for the narrative is London then the world s greatest metropolis and its financial and political center Adelson evokes the atmosphere of Whitehall Fleet Street the City of London and Westminster and paints a vivid portrait of the individuals Churchill Lloyd George Curzon Cromer and others who established the international agenda Using an extensive range of public and private archives he identifies issues of money power and territorial ambition at the heart of policy and he describes decisions made in ignorance of and often wholly without reference to local interests The book explores and explains British diplomacy both before and after the 1914 1918 War the protection of the Suez Canal and Persian Gulf the fear of a German drive to the East and subjugation of the Turks the discovery of oil the post war suppression of nationalist aspirations and the establishment of collaborative regimes more in tune with London than with the Middle East itself More clearly than any previous work it identifies the virtual invention of the modern Middle East and the roots of the ethnic and nationalist antagonisms that characterize the region today
