GRAND. ORIENT,2018 **Mystical Origins of the Tarot** Paul Huson,2004-05-26 A profusely illustrated history of the
occult nature of the tarot from its origins in ancient Persia The origins of the tarot have been lost in the mists of time Most
scholars have guessed that its origins were in China Egypt or India Huson has expertly tracked each symbol of the Minor
Arcana to roots in ancient Persia and the Major Arcana Trump card images to the medieval world of mystery miracle and
morality plays A number of tarot historians have questioned the use of the tarot as a divination tool prior to the 18th century
But the author demonstrates that the symbolic meanings of the Major Arcana were evident from the time they were first
employed in the mid 15th century in the popular divination practice of sortilege He also reveals how the identities of the

court cards in the Minor Arcana were derived from a blend of pagan and medieval sources that strongly influenced their interpretation in tarot divination Publisher marketing **The Biology of Daily Life** John Henry Napper Nevill,1890 **In Tennyson Land** John Cuming Walters,1890 **The History of the Occult Tarot** Ronald Decker,Michael Dummett,2013-07-18 An essential volume for the libraries of all serious students of the Tarot When the Tarot was invented in Italy during the early fifteenth century it was simply a pack of cards used for playing games Esoteric interpretations of the pack date from late eighteenth century France and were confined to that country for a hundred years But today the cards are used throughout the world and not only for fortune telling for true believers they are the key to secret knowledge and the meaning of life A History of the Occult Tarot is the classic work on the history of the Tarot deck and its use in occult circles Starting with the late nineteenth century the Decker and Dummett examine how the Tarot became the favoured divination tool of occultists a bridge to the spirit world and a map of the unconscious From Theosophical to Aleister Crowley to the Order of the Golden Dawn and P D Ouspensky this compelling survey of the Tarot s history describes the many fascinating decks imagined over time as well as the secret histories of mystics **A Manual of Cartomancy and Occult Divination** Arthur Edward Waite,2014-03-30 This Is A New Release Of The Original 1800 s Edition
