A Handbook Of Marketing Mathematics With Automatic Spreadsheets For Quantitative Marketing:

A Handbook of Marketing Mathematics Rowland Chidomere, 2003-12 Presidential secrets hidden in a long forgotten room dubbed J STREET come to light after Phil Greene an Independent takes office in January 2009 Upon discovering a plan written by Lincoln that would help to restore the founding father's ideal of the citizen politician Greene implements it and changes the lives of the average Americans randomly selected to serve as part of this special Delegation Forced into politics for the first time in their lives they are given a crash course in media relations and how things really work in Washington The public is willing to give the Delegation a chance but some members of Congress cannot cope with what is now expected of them Clandestine meetings are held and a plot to overthrow Greene and the Delegation is formed Enlisting the aid of several Supreme Court Justices the conspirators implement their plans in an overwhelming attack on Greene From the perspectives of the Americans chosen to serve to the insights of the president and his advisors J STREET captures the intensity of a new political twist clashing with the established good old boy network in Washington The Lincoln Plan was just one of many documents safely secluded in J STREET Perhaps some things are best left hidden
