A Heart For Mibion Five Pioneer Thinkers:

A Heart for Mission Ron Davies, 2002 Most commentators agree that the Protestant Missionary effort really got under way in the late eighteenth century with the formation of the Baptist Missionary Society Bearing in mind that the Reformation began in the early 16th Century the obvious question that arises is Why did it take Protestants nearly 3 centuries to act on Jesus Great Commission mandate This book goes some of the way to explaining why We are introduced to five Protestant Christian thinkers who had a mind for mission long before the Protestant World as a whole became aware of the need From the celebrated Jonathan Edwards to the comparatively unknown Jan Amos Comenius we see how these five men were ahead of their time They influenced thinking about mission and their comments ultimately led to the missionary explosion which began at the end of the eighteenth century and which carries on to the present day Themelios, Volume 36, Issue 3 D. A. G. Haykin, Jeff Robinson Sr., 2014-05-31 Calvinist missionaries If you think that sounds like an oxymoron you re not alone Yet a close look at John Calvin s life and writings reveals a man who was passionate about the spread of the gospel and the salvation of sinners From training pastors at his Genevan Academy to sending missionaries to the jungles of Brazil Calvin consistently sought to encourage and equip Christians to take the good news of salvation to the very ends of the earth In this carefully researched book Michael Haykin and Jeffrey Robinson clear away longstanding stereotypes related to the Reformed tradition and Calvin s theological heirs highlighting the Reformer s neglected missional vision and legacy **Turning Points in the Expansion of Christianity** Alice T. Ott, 2021-11-16 This readable survey on the history of missions tells the story of pivotal turning

points in the expansion of Christianity enabling readers to grasp the big picture of missional trends and critical developments Alice Ott examines twelve key points in the growth of Christianity across the globe from the Jerusalem Council to Lausanne 74 an approach that draws on her many years of classroom teaching Each chapter begins with a close up view of a particularly compelling and paradigmatic episode in Christian history before panning out for a broader historical outlook The book draws deeply on primary sources and covers some topics not addressed in similar volumes such as the role of British abolitionism on mission to Africa and the relationship between imperialism and mission It demonstrates that the expansion of Christianity was not just a Western driven phenomenon rather the gospel spread worldwide through the efforts of both Western and non Western missionaries and through the crucial ministry of indigenous lay Christians evangelists and preachers This fascinating account of worldwide Christianity is suitable not only for the classroom but also for churches workshops and other seminars

A Sweet Flame Michael A. G. Haykin, 2012-05-25 A Sweet Flame introduces readers to the piety of Jonathan Edwards 1703 1758 Dr Haykin s biographical sketch of Edwards captures the importance the New England minister placed on Scripture family piety and the church s reliance upon God The remainder of the book presents 26 selections from various letters written by Edwards two written by family members at his death and an appendix drawing upon Edwards s last will and the inventory of his estate Table of Contents To Mary Edwards To Benjamin Colman To George Whitefield To Deborah Hatheway To Sarah Edwards Jr To Joseph Bellamy To James Robe To Thomas Prince To Elnathan Whitman To William McCulloch To Joseph Bellamy To William McCulloch To Sarah Edwards To John Erskine To John Erskine To John Erskine To Mary Edwards To Joseph Bellamy To John Erskine To Lady Mary Pepperell To William McCulloch To Timothy Edwards Letter to Edward Wigglesworth To the Trustees of the College of New Jersey at Princeton To Esther Burr To Lucy Edwards Sarah Edwards to Esther Burr Susannah Edwards to Esther Burr Appendix Jonathan Edwards Last Will and the Inventory of His Estate Series Description Seeking then both to honor the past and yet not idolize it we are issuing these books in the series Profiles in Reformed Spirituality The design is to introduce the spirituality and piety of the Reformed Profiles in Reformed Spirituality tradition by presenting descriptions of the lives of notable Christians with select passages from their works This combination of biographical sketches and collected portions from primary sources gives a taste of the subjects contributions to our spiritual heritage and some direction as to how the reader can find further edification through their works It is the hope of the publishers that this series will provide riches for those areas where we are poor and light of day where we are stumbling in the deepening twilight

Pioneer Mission and Church Planting Today Conrad Mbewe, 2014-12-14 Insights from the Lives of Olive Doke and Paul Kasonga for Pioneer Mission and Church Planting Today deals with the question of the hand over process of pioneer missionaries to the first indigenous leaders in church planting missions situations It recognises the fact this process when wrongly handled has caused a lot of harm to the work of missions The case study in this thesis which took place at the start of Baptist work in Zambia shows one example in which it was done exceptionally well The researcher also uses biblical interpretation and qualitative empirical analysis to augment his research He finally posits that the mutual respect and mutual admiration between Olive Doke and Paul Kasonga is what led to this admirable result Created for Love Theo Hobson, John Inge, 2025-07-24 A sparkling array of leading thinkers and writers in the Church of England bring scripture doctrine tradition and pastoral theology into conversation with culture and lived experience to frame a new understanding of sex and marriage that is both faithful to the past and embracing of the present and counters accusations of an anything goes liberalism by conservative opponents Moving beyond the default arguments and the use of scriptures to shore up fixed positions it offers a welcoming space grounded in theological understanding Here is a bold fresh positive and coherent vision for the future Contributors include Miranda Threlfall Holmes Barnabas Palfrey Gareth Wardell John Inge Samuel Wells Olivia Graham Mark Chapman Vivienne Faull Steven Croft Theo Hobson Helen King and Charlie Bell **Indian Villages 2020 (in 2**
