A History Of Ancient Greek Literature:

A History of Ancient Greek Literature Gilbert Murray, 2015-06-16 Excerpt from A History of Ancient Greek Literature To read and re read the scanty remains now left to us of the Literature of Ancient Greece is a pleasant and not a laborious task nor is that task greatly increased by the inclusion of the Scholia or ancient commentaries But modern scholarship has been prolific in the making of books and as regards this department of my subject I must frankly accept the verdict passed by a German critic upon a historian of vastly wider erudition than mine and confess that I stand helpless before the mass of my material To be more precise I believe that in the domain of Epic Lyric and Tragic Poetry I am fairly familiar with the researches of recent years and I have endeavoured to read the more celebrated books on Prose and Comic control but I hope that comparatively few articles of importance in the last twenty volumes of the *Hermes* the *Rheinisches Museum* the *Philologus* and the *English Classical Journals* have escaped my consideration More than this I have but rarely attempted About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A History of Ancient Greek Literature Gilbert Murray, 2023-11-20 In *A History of Ancient Greek Literature* Gilbert Murray offers a comprehensive examination of the literary achievements of ancient Greece weaving together an account that is both rich in historical detail and insightful literary criticism Spanning from the Homeric epics to the works of tragedians like Aeschylus Sophocles and Euripides as well as the philosophers and comic playwrights Murray paints a vivid portrait of the societal and cultural contexts that shaped these timeless texts His engaging prose style and thoughtful analysis not only illuminate the aesthetic qualities of the literature but also delve into its philosophical and political implications situating these works within the broader tapestry of Western literature s origins Gilbert Murray a prominent classical scholar and translator was deeply influenced by his academic background and his passion for Greek culture and philosophy His tenure as a professor of Greek at Oxford and his involvement in various literary circles likely fueled his interest in cataloguing and interpreting the nuances of ancient texts Murray s scholarly pursuits also extended to the world of theatre where he endeavored to revive Greek drama reflecting his commitment to bringing ancient wisdom into contemporary discourse This book is an essential read for anyone interested in the foundations of Western literature and thought Murray s eloquent exploration not only serves as an introduction for newcomers to Greek literature but also presents seasoned scholars with enlightening perspectives that resonate beyond the texts themselves Readers are encouraged to immerse themselves in this scholarly endeavor to appreciate the intricate legacy of ancient Greek authors and their enduring
