Thomas Manton

A First Look At God:

In Search of God David A. Eisenbart, 2012-03 Truth is stranger than fiction Do you find the Bible to be a bit dull and boring Or is it just confusing Are you always asking questions but never finding answers Why is God invisible Is He hiding from us Or is He just playing a cosmic hoax while humanity is left to grapple in the dark Were Adam and Eve really embarrassed because they were naked Or was there something else they were trying to cover up Why would an omnipotent God go searching for mere mortals Could the answer be found in modern physics At one time in history it was dangerous to be a Christian but now it seems to be en vogue Has the modern church widened the narrow road that leads to life While nobody can take issue with Jesus magnificent sermons on love or His compassionate works of healing what about those volatile moments when He cursed a fig tree or flipped tables over in a temple Pearly gates Streets of gold A mansion in the sky Is that a description of heaven or of the Vegas Strip If reality is a two sided coin with both physical and spiritual dimensions then shouldn't we recalibrate our way of looking at things How can we understand what is happening in the visible universe until we first understand what is going on in a parallel invisible universe By unlocking deep spiritual mysteries embedded in the Bible In Search of God decoding reality will shatter the old paradigm which is nothing more than an illusion constructed by our five senses

The Works of Augustus Toplady ... A new edition, etc Augustus Montague TOPLADY, 1853 **Jesus Seen of Angels; and God's Mindfulness of Man. Considered in Three**

Discourses: the Substance of which was Preach'd, in the Parish Church of Broad Hembury, Devon, on Tuesday, December 25, 1770. By Augustus Toplady .. Augustus Montague Toplady, 1771 The Economy of God and the Building Up of the Body of Christ Witness Lee, 1989 *Caressing the Creed* Richard Allen Farmer, 2016-01-19

The Activated Disciple Jeff Cavins, 2018-11-05 Are you ready to take your faith to the next level If you yearn for a life that moves beyond believing and practicing your faith if you want to radically live your faith if you want a more profound relationship with Jesus Christ then it is time for you to become an activated disciple The Foundation of discipleship is imitation True discipleship requires such a close relationship with God that every area of your life is transformed It is about opening yourself to God and inviting him to dwell within you becoming holy as he is holy loving as he is loving disciples of Christ become the instruments God employs to transform the world Move beyond simply believing and practicing your faith and begin radically living it Overcome obstacles that keep you from being the disciple you are made to be Be a positive influence and an instrument of transformation in the Church

Praying in God's Theater Joel L. Watts, 2014-03-10 Much like the book of Revelation Joel L Watts Praying in God's Theater aims to pull readers into a deeper spirituality to confront the daily struggles of Christian life Drawing from the rich well of Christian mystics and theologians from across the ecumenical experience Watts uses the Apocalypse to build a series of prayers and devotions aimed at increasing what he identifies as the contemplative unity and the certain unity between the individual and Christ He urges a radical vision of the prayer and the sacrament of the Eucharist Each chapter of Revelation is considered explored and finally used as a basis to draft prayers Added to this is an application commentary that explores ancient liturgical practices similar to the scenes in Revelation while looking at Revelation in a mystical manner Watts offers Revelation as an early liturgy using this proposition as a catalyst for building prayers and a vision of life based on the Eucharist as the emblem of how we are to approach God What emerges is a profound view on how we envision Scripture prayer and the book of Revelation

Woman Precious in the Sight of God Donna Blackwell, 2002-08

Exposition of The Whole Bible G. Campbell Morgan, 2010-05-01 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books Fox sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell

Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word. Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books. This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies. Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John. Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books.

Near the end of his ministry in a sermon entitled *But One Thing*, Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America. No longer did the inscription say *Ne Plus Ultra* (nothing more beyond) but *Plus Ultra* (more beyond). It is the hope of the G. Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture.

The Secret Place of God's Power Bill Vincent, 2023-03-16

Many have a desire to be a powerful man or woman of God. *The Secret Place of God's Power* by Bill Vincent will truly stir your faith. By using Biblical principles, Bill outlines much revelation for today's saints of God to walk in power. The power of God is the result of finding God, that which is known as the Secret Place. This book has been compiled from all the lessons I have learned and grown to know the Lord. He has been my closest friend, and all this is found in the secret place. Before finding this revelation, I flowed in little to no power of God. It is time for the Church to grow in power. Everyone wants someone to lay hands on them and impart the power of God. There may be a truth to real impartation, but it still will not come without a price. This book has been a long time coming but is necessary. You will learn to overcome religion, get closer to God, find the power of God, and experience Heaven. God spoke to me that this book has been brought to get His people to find the Secret Place and discover His Power. Bill spends a lot of time seeking the face of God concerning current cutting edge things. The ministry is more than just being a minister. The First Chapter takes you into the Secret Place. You will find by spending time with God will usher in provision, promotion, increase of Godly knowledge, and so much more. Bill has a way to say things many different ways until you get it. There are many things that you will learn about Heaven on Earth and how to become a source that God can use in a mighty way. *The Secret Place of God's Power* is more than a book; it is learning to be led by the Holy Spirit, being a deliverer to all who need set free, and increasing in the anointing and power of God. You are going to be truly encouraged with this power-packed book. It is time for us all to find God in a deeper and intimate way.

The Message of a Course in Miracles Elizabeth A. Cronkhite, 2010-07-30

Justification and the Kingdom of God, Volume One Paul ChulHong Kang, 2025-01-17

The *Justification and Kingdom of God* series seeks to answer the question: How can justified Christians in Jesus bear the fruit of faith, reflecting growth in God's image? To address this, the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ. This reveals the deeper meaning of the gospel and the restoration of God's image, uncovering hidden treasures. Now the challenge is whether you will accept these treasures. The

Kingdom of the Covenant emphasizes the eternal kingdom of the living God through the lens of God's righteousness. This encourages readers to remember God's righteousness which runs through his covenants serves as the legal standard of governance the standard of salvation and the standard of a good life. Just as God's righteousness is the foundation of his word for his kingdom God's word is the standard for wisdom knowledge judgment and actions. Through his word God opens the gates of heaven and connects the present reality of lives with the eternal nature of his kingdom. Now lives of faith on this earth carry eternal consequences. This book asks: What would you do with this gift God's word? *A Discourse on God's Drawing his Children to the Knowledge of the Truth* William BRAITHWAITE (Minister of Hatton Chapel, London.), 1801

The Great Concern of Salvation ... The second edition. To which is prefixed, a short account of the author's life Thomas HALYBURTON, 1797 *God after Metaphysics* John Panteleimon Manoussakis, 2007-05-23 While philosophy believes it is impossible to have an experience of God without the senses theology claims that such an experience is possible though potentially idolatrous. In this engagingly creative book John Panteleimon Manoussakis ends the impasse by proposing an aesthetic allowing for a sensuous experience of God that is not subordinated to imposed categories or concepts. Manoussakis draws upon the theological traditions of the Eastern Church including patristic and liturgical resources to build a theological aesthetic founded on the inverted gaze of icons the augmented language of hymns and the reciprocity of touch. Manoussakis explores how a relational interpretation of being develops a fuller and more meaningful view of the phenomenology of religious experience beyond metaphysics and onto theology. **Career and Calling** Ginny Ward Holderness, Forrest C.
