Armstrong, Geoffrey Martin, 2015-12-14 An annual collection of studies of individuals who have made major contributions to the development of geography and geographical thought Subjects are drawn from all periods and from all parts of the world and include famous names as well as those less well known explorers independent thinkers and scholars Each paper describes the geographer's education life and work and discusses their influence and spread of academic ideas Each study includes a select bibliography and brief chronology The work includes a general index and a cumulative index of geographers listed in volumes published to date **Letters from a Life** Benjamin Britten, 2008 Letters by the British composer to his friends family and colleagues document his life from school days to the end of World War II **The Art of Charles W. Thwaites** Susan Hallsten McGarry, 2008 Out of the struggles of the Great Depression Charles W Thwaites 1904 2002 rose to prominence as a muralist and leading portraitist in Wisconsin An active exhibitor in hundreds of local regional and national art exhibitions he won awards and critical acclaim from New York to California Thwaites began his career straddling the cultural demands for a truly American art while being lured to the formalism of European modernism and the freedom of expression it espoused When he moved to New Mexico in the 1950s he found camaraderie with the Taos Moderns going on to create sophisticated abstractions that synthesized his personal response with universal emotions In this first examination of Thwaites biography and oeuvre examples of his Wisconsin and New Mexico paintings are put into the context of American art Also included are numerous excerpts from his writings which are profound observations on the meaning of art and the goals of an artist who authentically responds to his inner spirit Freedom of expression underpinned by a disciplined study of nature art history and the self were the *raison d'être* of this artist who disdained being labeled or placed in a category As he noted There are 1 000 ways to paint why limit yourself to one manner It is of no importance whether a picture is modern academic or what have you Is it good art is it bad painting or is it just indifferent To understand yourself to understand your personal philosophy is to understand your likes and dislikes in an organized way Thwaites is destined to be recognized as one of America's most skilled colorful and admired post World War II modernists **The Memoirs of a Young Bastard** Tim Burstall, 2012 Tim Burstall the celebrated director of *Stork* *Alvin Purple* and numerous other definitive ocker comedies is credited with shaking the moribund Australian film industry out of its torpor But long before that in the early 1950s he began keeping a diary to record the world of the group of artists and intellectuals he was living among in Eltham then a rural area outside Melbourne where cheap land was available for mudbrick houses and studios and where suburban rigidities could be mercilessly flouted Burstall was in his mid twenties with two young sons and an open marriage with his wife Betty Eager to become a writer to go against the grain he kept a record almost daily of the parties and the talk in pubs and studios about art and politics and sex of Communist Party branch

meetings and film societies of political rallies and the first Herald Outdoor Art Show Somehow while holding down a public relations job in the Antarctic Division and juggling his love affairs and obsession with the beautiful brainy Fay he wrote 500 words almost every day Betty according to the diaries kept the show on the road feeding friends after the pub milking goats and working in her pottery making bowls and mugs which Tim sometimes decorated at weekends These Memoirs of a Young Bastard as Burstall dubbed himself and them are among the most evocative Australian diaries of modern times Burstall can write He has an eye for the telling detail an unerring ear for cant and pomposity and most endearingly an ability to mock himself always from the perspective of a bloke of his generation *Guide to the Literature of Art History 2* Max

Rollyson,2014-10-16 From hefty biographies and fact based novels to photograph collections and memoirs more books have been written about Marilyn Monroe than any other female over the past century However no biography regardless how authoritative can contain all of the facts and events of an individual s life and Marilyn s is no exception In *Marilyn Monroe Day by Day A Timeline of People Places and Events* Carl Rollyson provides a documentary approach to the life and legend of this singular personality With details of her childhood her young adult years her ascent to superstardom and the hour by hour moments leading to her tragic early death this volume supplements and in some cases corrects the accounts of previous biographies In addition to restoring what is left out in other narratives about Marilyn s life this book also illuminates the gaps and discrepancies that still exist in our knowledge of her Drawing on excerpts from her diaries journals letters and even checks and receipts as well as reports of others Rollyson recreates the day to day world of a woman who still fascinates us more than fifty years after her death In addition to the calendar Rollyson also profiles important figures in Marilyn s life and includes a brief biography of the actress providing a context for the timeline An annotated bibliography of books and websites highlights the most reliable sources about Marilyn With its vivid recreation of the key events in her life *Marilyn Monroe Day by Day* is the perfect book for fans who can t get enough of this cultural icon *The Shtetl* Steven T

Katz,2006-12-24 Anyone looking to really understand the Jewish past not just the romanticized version of it will find this book a perfect antidote The Reporter Dating from the sixteenth century there were hundreds of shtetls Jewish settlements in Eastern Europe that were home to a large and compact population that differed from their gentile mostly peasant neighbors in religion occupation language and culture The shtetls were different in important respects from previous types of Jewish settlements in the Diaspora in that Jews had rarely formed a majority in the towns in which they lived This was not true of the shtetl where Jews sometimes comprised 80% or more of the population While the shtetl began to decline during the course of the nineteenth century it was the Holocaust that finally destroyed it In recent decades the shtetl has attracted a growing amount of scholarly attention though gross generalizations and romanticized nostalgia continue to affect how the topic is

treated This volume takes a new look at this most important facet of East European Jewish life It helps to correct the notion that the shtetl was an entirely Jewish world and shows the ways in which the Jews of the shtetl interacted both with their co religionists and with their gentile neighbors The volume includes chapters on the history of the shtetl its myths and realities politics gender dynamics how the shtetl has been mis represented in literature and the changes brought about by World War I and the Holocaust among other historical events Contributors include Samuel Kassow Gershon David Hundert Immanuel Etkes Nehemia Polen Henry Abramson Konrad Zielinski Jeremy Dauber Israel Bartel Naomi Seidman Mikhail Krutikov Arnold J Band Katarzyna Wieclawska Yehuda Bauer and Elie Wiesel A complex and rich subject AJS Review This is the first book published in the Elie Wiesel Center for Judaic Studies Series **American Book Publishing Record** ,2007 Great Irish Wives Nicola Pierce,2025-09-08 Throughout history the stories of women s lives and work have been overshadowed by those of men Wives especially disappear unacknowledged as patrons and champions of their husband s work as collaborators muses carers and managers of the family domain Great Irish Wives shines a spotlight on ten such wives Matilda Tone Mary O Connell Constance Wilde Charlotte Shaw Emily Shackleton Annette Carson Sin ad de Valera Margaret Clarke George Yeats and Beatrice Behan The men in this book are household names from Wolfe Tone and Daniel O Connell to Oscar Wilde and Brendan Behan and they all have one thing in common they married women who enabled them to pursue their dreams even if that meant courting death or outrage Nicola Pierce tells the stories of these truly remarkable women **Artists in Britain since 1945** David Buckman,2006 Britannica Concise Encyclopedia Encyclopaedia Britannica, Inc,2002 Britannica Concise Encyclopedia is a one volume desk reference featuring 28 000 entries condensed from the flagship 32 volume set and 2000 illustrations photos and maps The A Z reference provides quick answers to everyday questions Polish Jews in the Soviet Union (1939-1959) Katharina Friedla,Markus Nesselrodt,2021-12-14 Winner of the 2022 PIASA Anna M Cienciala Award for the Best Edited Book in Polish StudiesThe majority of Poland s prewar Jewish population who fled to the interior of the Soviet Union managed to survive World War II and the Holocaust This collection of original essays tells the story of more than 200 000 Polish Jews who came to a foreign country as war refugees forced laborers or political prisoners This diverse set of experiences is covered by historians literary and memory scholars and sociologists who specialize in the field of East European Jewish history and culture *Subject Guide to Books in Print* ,1997 **Library Catalog of the Metropolitan Museum of Art, New York** Metropolitan Museum of Art (New York, N.Y.).
