A Gentle Whisper Marshall Ferrell, 2008-10-21 *Simply a Whisper* Lenni Nordloh, 2014-10-21 Does God speak to us today Maybe He just whispers to our heart This book was written to encourage believers to know that God does whisper to our hearts by the power of the Holy Spirit Be still and know that I am God is His message He prompts his whispers through nature music prayers and generations past through witnessing through the testimonies of other believers through the power of grace through the word of God through angels through mercy through the journey of personal growth of faith at every age and through the seasons of life God whispers the truth of His love to humanity but you need to take time to rest Set aside the time to quietly listen He wants to bless and draw close to all who would choose to believe The author has been on a journey with God that she prays will open other hearts to the power of God's blessings and His personal message God has offered forgiveness and a purpose to all those that would humbly surrender to Him in faith

A Moment of Silence Landy Pérez-Feliciano, 2014-09-25 God has designed a perfect plan and a specific purpose for each person who has decided to believe in His word This book will inspire and allow you to dream and believe in the promises that God has declared If you've been waiting for an answer from God and still haven't heard anything lower the volume of the noise surrounding you He is trying to whisper the answer to your problem Listen because the solution might be in the gentle whisper A Moment of Silence will help you discover your purpose in God and will help you define your position in Him Its content is light in the midst of darkness and a peace that calms the storm God speaks in the midst of silence we simply need to listen A Moment of Silence will provide you with the direction and clarity you need Don't miss God's blessing in your life for not distinguishing His voice His voice will give your life direction and guidance to the destiny He has prepared for you In the midst of your circumstances the Lord says I have a solution I have a purpose for your life and I want to reveal it to you as you stay still Give Me a moment of silence Are you willing to be silent and listen to Me If we desire to hear God seeking his presence should be a priority in our lives But how difficult this can be at times I think that one of the greatest challenges we face as believers is

to keep our relationship with the Lord as number one in our agenda For this reason I am glad to see that God continues to raise willing people such as Landy to share on this very important matter I invite you to open your heart and get ready to hear what the Holy Spirit wants to speak to you through this book Lilly Goodman Psalmist and author of *La realidad de un sueo The Reality of a Dream* *Meditation Minute* Diane Adams,2008-04-01 Meditations for busy people who claim to have no extra time in their day for prayer and or meditation Meditation Minute can be your jumping off point to create time in your day for thinking outside the box of your scheduled life a time for reflecting on how God wants you to make the most of your time
