

[Intro]
Yeah

[Verse 1]
Did somebody tell you that
Life was easy?
They were wrong
All the lines are blurred
Your emotions, they got so lost
And I wish I could tell you now
How much my heart breaks like a song
I love you forever
And I hope forever becomes

[Pre-Chorus]
Heaven
Did you think I woke up here?
I worked for many years
I've cried out all my tears, this
Preaching
It never got me very far
No matter where you are
There's a lot of love left here for you and I

[Chorus]
You and I, you and I, you and I
You and I, you and I
You and I, you and I
There's all the love left here for you and I
And I know that you need to take time
Don't let it break you this life
I hope that you know
There's all the love left here for you and I
You and I
You and I

[Verse 2]
Did somebody tell you that
Some of the others, they weren't
wrong?
These rising demons
They've got a way of getting so strong
We can break them together, babe
We can find some way to hold them off
Not if you hurt me now
And not if you hurt me in my

[Pre-Chorus]
Heaven
It never got me very far
No matter where you are
There's a lot of love left here for you
and I

[Chorus]
You and I, you and I, you and I
You and I, you and I
You and I, you and I
There's all the love left here for you
and I
And I know that you need to take time
Don't let it break you this life
I hope that you know
There's all the love left here for you
and I
You and I, you and I
You and I
You and I, you and I, you and I
You and I, you and I
You and I, you and I

[Bridge]
I can't afford to wait
Nothing in life ever came for free
And in the pouring rain
I've been begging you to love me
Power, space and time
I know my love transcends all three
Even though it hurts me baby
I know I'll always love you
Endlessly, yeah

[Chorus]
You and I, you and I
There is all the love left here for you and I
Yeah
All the love left here for you and I
You and I
Nothing in life ever comes for free, yeah

Getting Schooled Garret Keizer,2014-08-05 In this powerful eloquent story of his return to the classroom a former teacher offers a rousing defense of his beleaguered vocation Perhaps no profession is so constantly discussed regulated and maligned by non practitioners as teaching The voices of the teachers themselves are conspicuously missing Defying this trend teacher and writer Garret Keizer takes us to school literally in this arresting account of his return to the same rural Vermont high school where he taught fourteen years ago Much has changed since then a former student is his principal standardized testing is the reigning god and smoking in the boys room has been supplanted by texting in the boys room More familiar are the effects of poverty the exuberance of youth and the staggering workload that technology has done as much to increase as to lighten Telling the story of Keizer s year in the classroom Getting Schooled takes us everywhere a teacher might go from field trips to school plays to town meetings from a kid s eureka moment to a parent s dark night of the soul At once fiercely critical and deeply contemplative Keizer exposes the obstacles that teachers face daily and along the way takes aim at some cherished cant that public education is doomed that the heroic teacher is the cure for all that ails education that educational reform can serve as a cheap substitute for societal reformation Angry humorous and always hopeful Getting Schooled is as good an argument as we are likely to hear for a substantive reassessment of our schools and those who struggle in them
