In the coming weeks, you will be taking the children on an excursion to see a play at a local theatre, requiring travel by bus to a local mountain resort where the theatre is located, along with some walking near busy roads at the entrance to the resort.

Your Group Leader has asked you to suggest some ideas of ways you could help the children learn about travel and road safety before they go on the excursion.

Develop a plan relating to safe workplace policies and procedures relevant to the excursion.

In an excursion, there is a need to ensure about the travel and road safety before going for the see a play at a local theatre. In this, there is not need to ensure about the safe workplace policy and procedure which can be relevant to the excursion. In this, there is a need to ensure about the learning of a how to travel on the busy road and the walk in proper safety and taking care of every children.

Moreover, there is a need to ensure about proper following of guidelines and providing learning to children before going out. It is also needed to provide the learning about enable children to walk on on a busy road. This may include providing them learning about crossing road at the busy area.

There is need for supervisor or teacher who may able to take care about the proper safety during outside at the road and travelling through bus. There is need to provide children learning about how to walk on the busy road or crossing route from one site to another. This can be one of
