is *The Struggle* it has a part one and a part two Some of the woman who read these 2 poems may find objection to what I have written But I had to say what I thought a man would say or wanted to say *The Struggle* was written ***Aftermath*** Bryan Ratushniak,2020-11-14 Powerful honest moving Open Book Who doesn't rush to the window when a fire truck rushes by Bryan Ratushniak has spent a thirty two year career working on the busiest fire trucks in Canada and has detailed his adventures in this witty memoir The book details the emotional damage inflicted by the horrors of the job and how the author came out the other side more or less in one piece Ratushniak shares the ups and downs of balancing home and professional life while trying to hold onto his sanity *Aftermath A Firefighter's Life* is filled with candid humorous tragic and hopeful stories from behind the big red doors ***Getting Skinny*** Monique Domovitch,2015-05-19 Owning a restaurant is as crazy for Nicky Landry as an alcoholic owning a bar But despite having to cram herself into a body shaper to look decent in a dress life is pretty good She's throwing the party of the year for her graduating doctor boyfriend Rob who she's sure is going to propose until his new girlfriend shows up at the party After ordering Rob to get his stuff out of her house and get lost Nicky finds him faceup with her expensive Chroma knife sticking right out of his cheating heart As the prime suspect Nicky is in hot water And no matter how hard she tries to clear her name her problems only mount She's convinced she can solve the murder if only she can figure out the identity of the skinny person seen walking away with Rob after the party *Getting Skinny* won't be easy for Nicky but she never imagined it would be life or death81 000 words ***Kiss and Kin*** Angela Lambert,2016-01-18 Life for the newly widowed Harriet Capel is not expected to hold any surprises It will be spent watching over the vicissitudes of her children's marriages and relationships and looking after the grandchildren That is until she sees Oliver Gaunt again He is her daughter in law's father The relationship between the parents in law has always been difficult since their children's wedding day and few words have been spoken When they meet they do not at first recognise one another but the physical attraction between them is powerful and instantaneous As their love affair gathers intensity and pace so do its consequences for the family as a whole ***The Crimson Flake*** R. L. Knight,2004-03 *The Crimson Flake* is a tale of two tales diverse and well separated by time and locale Each is an emotional human struggle and the two are on a collision course The first tale concerns a rather large and often irreverent man who silently craves danger and shares his life with a cat called Sam They both love the same woman but while the cat openly demonstrates his emotions toward her the man struggles with feelings of love and commitment feelings he knows deep down to be absolute truths In addition he wrestles with a nagging internal death wish and a disturbing intuitive ability an ability he loathes but one that's kept him alive The second involves a struggle we've known since the beginning when Eve encountered the serpent There are evil things They're where you would expect them but they're also where you wouldn't You don't see the man in the crowd whose eyes are fixed on you who follows you who snatches you from your life and your life from you unnoticed little slices of time This is the story of such an encounter of how evil can spring from the most benign and tranquil environment of one person's courage and willpower to battle such

madness a battle that ultimately defines her life It s the story of two reclusive brothers who live deep in an otherwise hushed and beautiful forest but who because of an emotionally tortured mother and her twisted influence have littered the peaceful woodland with the remains of nine vibrant young women all in the name of God But not all of the remains were scattered No The prettiest parts were saved They re in the barn One brother is inherently evil born evil and is descending deeper into the abyss He is beyond redemption and only death can stop him The other is struggling with thoughts he didn t know he could have before she came He s being pulled in one direction by a despicable but settled way of life and in the other by her She is Willie a skinny nineteen year old inner city kid who is there quite by accident and fighting for two lives Over time bizarre circumstances cause the paths of the big man and the girl to converge The two become allies and make for perhaps the strangest heroic duo imaginable They stumble and falter along the way but the union is a formidable one They recover more powerful in a final assault and the evil is left lying as dust beside the road      **Under a Cat's Eye** David B.
