hummed in the skies over Pearl Harbor World War II was two years in the History books Three dictators with a desire for power and world domination formed The Axis a globe spanning web of destruction and human rights violations The United States powerful but still recovering from the Great Depression had chosen to remain uninvolved But as soon as the first Zero dropped its bomb on a U S warship the Sleeping Giant America awoke The citizens of the United States came together with such unprecedented resolve that History could only have turned they way it did In this book kids will learn about the World War that truly spanned the globe and produced the greatest generation in U S History They will float with paratroopers rid with generals in their Jeeps and dive to the darkest depths in vintage submarines Kids will explore the History geography and social issues behind World War II from the first shots fired in the invasion of Poland to the most explosive end a war on earth has ever known A partial Table of Contents includes A Timeline of Events When Men Women and Children Saved the World World War II Dangerous Dictators The Swastika Blitz and Blackouts From Isolation to Infamy The Allies Tuskegee Airmen By Land Sea and Air Bombs on Japan Numerous War Crime Trials And Much More **Putin's Dark Ages** Dina

Khapaeva,2023-10-26 Two decades before the war against Ukraine a special operation was launched against Russian historical memory aggressively reshaping the nation s understanding of its history and identity The Kremlin s militarization of Russia through World War II propaganda is well documented but the glorification of Russian medieval society and its warlords as a source of support for Putinism has yet to be explored This book offers the first comparison of Putin s political neomedievalism and re Stalinization and introduces the concept of mobmemory to the study of right wing populism It argues that the celebration of the oprichnina Ivan the Terrible s regime of state terror 1565 1572 has been fused with the rehabilitation of Stalinism to reconstruct the Russian Empire The post Soviet case suggests that the global obsession with the Middle Ages is not purely an aesthetic movement but a potential weapon against democracy The book is intended for students scholars and non specialists interested in understanding Russia s anti modern politics and the Russians support for the terror unleashed against Ukraine *North Carolina and World War II* Anita Price Davis,2014-11-19 North Carolina did more than its part during World War II This Southern state trained more troops than any other state in the nation Can one still find the military posts and shipyards the cemeteries and memorials the convalescent units and R R facilities today This volume describes in detail both the state s 20 plus military sites and the eight little known North Carolina prisoner of war camps Images and memories tell the story of service personnel and their families who contributed to the war effort at much personal sacrifice The book reminds readers of how those Carolinians who remained behind did their part through supporting the troops rationing salvaging metals growing Victory Gardens and purchasing War Bonds Congressional Record United States. Congress,2003 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States

1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 Fly Boy Heroes James H. Hallas,2022-04-01 On the morning of December 7 1941 Chief Aviation Ordnanceman John W Finn though suffering multiple wounds continued to man his machine gun against waves of Japanese aircraft attacking the Kaneohe Bay Naval Station during the infamous Pearl Harbor raid Just over three years later as World War II struggled into its final months a B 29 radioman named Red Erwin lingered near death after suffering horrific burns to save his air crew in the skies off Japan They were the first and last of thirty U S Navy Army and Marine Corps aviation personnel awarded the Medal of Honor for their actions against the Japanese during World War II They included pilots and crewmen manning fighters and dive bombers and flying boats and bombers One was a general Another was a sergeant Some shot down large numbers of enemy aircraft in aerial combat Others sacrificed themselves for their friends or risked everything for complete strangers Who were these now largely forgotten men Where did they come from What inspired them to rise above and beyond What if anything made them different Virtually all had one thing in common they always wanted to fly They came from a generation that revered the aces of World War I like Eddie Rickenbacker the civilian flyer Charles Lindbergh and the lost aviator Amelia Earhart and then they blazed their own trail during World War II **The Armed Jew** Adam L. Fuller,2025-06-30 In the face of rising anti Semitic violence and hate crimes The Armed Jew explores the essential role of gun ownership in the Jewish experience both historically and in contemporary society With rising threats to Jewish communities worldwide this book argues that the right to bear arms is not just a matter of self defense but an integral part of Jewish history and survival Despite the increasingly manifest threats to American Jews in particular they remain among one of the demographic groups that are least likely to own firearms which leaves them defenseless and further invites aggression Adam L Fuller argues that guns have been vital tools in protecting Jewish communities for centuries From the medieval self defense of Jewish settlements to Jewish gangsters vigilantes soldiers law officers and resistance efforts during the Holocaust guns have been crucial in the preservation of life and dignity Drawing on a careful study of Jewish sociocultural and religious traditions in dialogue with Jewish historical experience as well as conversations with Jewish gun owners Fuller makes a compelling argument for why Jews should embrace their right to own and carry firearms as part of their broader struggle for safety and autonomy The Armed Jew challenges assumptions empowers Jewish communities and provides a thought provoking perspective on the intersection of faith identity and self defense in the modern world *American Women During World War II* Doris Weatherford,2009-10-16 American Women during World War II documents the lives and stories of women who contributed directly to the war effort via official and semi official military organizations as well as the millions of women who worked in civilian defense industries ranging from aircraft maintenance to munitions manufacturing and much more It also illuminates how the war changed the lives of women in more traditional home front roles All women had to cope with rationing of basic household goods and most women volunteered in war related programs Other entries discuss institutional change as the war

affected every aspect of life including as schools hospitals and even religion American Women during World War II provides a handy one volume collection of information and images suitable for any public or professional library *Women Heroes of World War II—the Pacific Theater* Kathryn J. Atwood, 2016-10-01 A Notable Social Studies Trade Book for Young People 2017 Glamorous American singer Claire Phillips opened a nightclub in Manila using the earnings to secretly feed starving American POWs She also began working as a spy chatting up Japanese military men and passing their secrets along to local guerrilla resistance fighters Australian Army nurse Vivian Bullwinkel stationed in Singapore then shipwrecked in the Dutch East Indies became the sole survivor of a horrible massacre by Japanese soldiers She hid for days tending to a seriously wounded British soldier while wounding herself Humanitarian Elizabeth Choy lived the rest of her life hating war though not her tormentors after enduring six months of starvation and torture by the Japanese military police In these pages readers will meet these and other courageous women and girls who risked their lives through their involvement in the Pacific Theater of Operations during World War II Fifteen suspense filled stories unfold across China Japan Malaya Singapore the Dutch East Indies and the Philippines providing an inspiring reminder of women's and girls' refusal to sit on the sidelines around the world and throughout history These women whose stories span 1932 to 1945 the last year of the war served in dangerous roles as spies medics journalists resisters and saboteurs Seven of them were captured and imprisoned by the Japanese enduring brutal conditions Author Kathryn J Atwood provides appropriate context and framing for teens 14 and up to grapple with these harsh realities of war Discussion questions and a guide for further study assist readers and educators in learning about this important and often neglected period of history
