

**Alaska:** The Last Frontier  
Statehood January 3, 1959

# A History Of Alaska Statehood

**Robert David Johnson**

## **A History Of Alaska Statehood:**

*A History of Alaska Statehood* Claus-M. Naske, 1985 Revised edition of the 1973 publication containing three new chapters and a postscript bringing the story of Alaska up to 1984 and the celebrations which marked the 25th anniversary of statehood

**Alaska, a History of the 49th State** Claus-M. Naske, Herman E. Slotnick, 1979 Notes p 285 296

**The Alaska State Constitution** Professor Gerald A. McBeath Ph.D., 2011-04-11 With only 54 years of existence the Constitution of the State of Alaska is in its developmental infancy compared to the constitutional history of the rest of the United States However having had the benefit of over 300 years the Alaskan Constitution is a pioneer and model in among other things simplicity coherence vision and accessibility The Alaska State Constitution provides an outstanding constitutional and historical account of the state s governing charter In addition to an overview of Alaska s constitutional history it provides an in depth section by section analysis of the entire constitution detailing the many significant changes that have been made since its initial drafting This treatment along with a table of cases index and bibliography provides an unsurpassed reference guide for students scholars and practitioners of Alaska s constitution Previously published by Greenwood this title has been brought back in to circulation by Oxford University Press with new verve Re printed with standardization of content organization in order to facilitate research across the series this title as with all titles in the series is set to join the dynamic revision cycle of The Oxford Commentaries on the State Constitutions of the United States The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions Each volume in this innovative series contains a historical overview of the state s constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents

[Alaska Statehood and Elective Governorship](#) United States. Congress. Senate. Committee on Interior and Insular Affairs, 1953 August 17 hearing was held in Ketchikan Alaska August 18 19 hearings were held in Juneau Alaska August 20 hearing was held in Fairbanks Alaska August 24 25 hearings were held in Anchorage Alaska

*Alaska* Claus M. Naske, Herman E. Slotnick, 2014-10-22 The largest by far of the fifty states Alaska is also the state of greatest mystery and diversity And as Claus M Naske and Herman E Slotnick show in this comprehensive survey the history of Alaska s peoples and the development of its economy have matched the diversity of its land and seascapes Alaska A History begins by examining the region s geography and the Native peoples who inhabited it for thousands of years before the first Europeans arrived The Russians claimed northern North America by right of discovery in 1741 During their occupation of Russian America the region was little more than an outpost for fur hunters and traders When

the czar sold the territory to the United States in 1867 nobody knew what to do with Seward's Folly Mainland America paid little attention to the new acquisition until a rush of gold seekers flooded into the Yukon Territory In 1906 Congress granted Alaska Territory a voteless delegate and in 1912 gave it a territorial legislature Not until 1959 however was Alaska's long sought goal of statehood realized During World War II Alaska's place along the great circle route from the United States to Asia firmly established its military importance which was underscored during the Cold War The developing military garrison brought federal money and many new residents Then the discovery of huge oil and natural gas deposits gave a measure of economic security to the state Alaska A History provides a full chronological survey of the region's and state's history including the precedent setting Alaska Native Claims Settlement Act of 1971 which compensated Native Americans for their losses the effect of the oil industry and the trans Alaska pipeline on the economy the Exxon Valdez oil spill and Alaska politics through the early 2000s *Alaska's Heritage: Human history, prehistory to 1724* Joan M. Antonson, William S. Hanable, 1992

**Alaska** Stephen W. Haycox, 2020-04-09 Alaska often looms large as a remote wild place with endless resources and endlessly independent resourceful people Yet it has always been part of larger stories the movement of Indigenous peoples from Asia into the Americas and their contact with and accommodation to Western culture the spread of European political economy to the New World the expansion of American capitalism and culture and the impacts of climate change In this updated classic distinguished historian Stephen Haycox surveys the state's cultural political economic and environmental past examining its contemporary landscape and setting the region in a broader global context Tracing Alaska's transformation from the early postcontact period through the modern era Haycox explores the ever evolving relationship between Native Alaskans and the settlers and institutions that have dominated the area highlighting Native agency advocacy and resilience Throughout he emphasizes the region's systemic dependence on both federal support and outside corporate investment in natural resources furs gold copper salmon oil and offers a less romantic more complex history that acknowledges the broader national and international contexts of Alaska's past **An Alaska Anthology** Stephen W. Haycox, Mary Childers Mangusso, 2011-06-01 Alaska with its Indian Eskimo and Aleut heritage its century of Russian colonization its peoples formidable struggles to wrest a living or a fortune from the North's isolated and harsh environment and its relatively recent achievement of statehood has long captured the popular imagination In An Alaska Anthology twenty five contemporary scholars explore the region's pivotal events significant themes and major players Native Russian Canadian and American The essays chosen for this anthology represent the very best writing on Alaska giving great depth to our understanding and appreciation of its history from the days of Russian American Company domination to the more recent threat of nuclear testing by the Atomic Energy Commission and the influence of oil money on inexperienced politicians Readers may be familiar with an earlier anthology Interpreting Alaska's History from which the present volume evolved to accommodate an explosion of research in the past decade While a number of the original pieces were found to be

irreplaceable more than half of the essays are new The result is a fresh perspective on the subject and an invaluable resource for students teachers and scholars *Alaska History*, 2005 Prestatehood Legal Materials Michael Chiorazzi, 2013-05-13 Explore the controversial legal history of the formation of the United States Prestatehood Legal Materials is your one stop guide to the history and development of law in the U S and the change from territory to statehood Unprecedented in its coverage of territorial government this book identifies a wide range of available resources from each state to reveal the underlying legal principles that helped form the United States In this unique publication a state expert compiles each chapter using his or her own style culminating in a diverse sourcebook that is interesting as well as informative In Prestatehood Legal Materials you will find bibliographies references and discussion on a varied list of source materials including state codes drafted by Congress county state and national archives journals and digests state and federal reports citations surveys and studies books manuscripts papers speeches and theses town and city records and documents Web sites to help your search for more information and more Prestatehood Legal Materials provides you with brief overviews of state histories from colonization to acceptance into the United States In this book you will see how foreign countries controlled the laws of these territories and how these states eventually broke away to govern themselves The text also covers the legal issues with Native Americans inter state and the Mexico and Canadian borders and the development of the executive legislative and judicial branches of state government This guide focuses on materials that are readily available to historians political scientists legal scholars and researchers Resources that assist in locating not so easily accessible materials are also covered Special sections focus on the legal resources of colonial New York City and Washington DC which is still technically in its prestatehood stage Due to the enormity of this project the editor of Prestatehood Legal Materials created a Web page where updates corrections additions and more will be posted *Ernest Gruening and the American Dissenting Tradition* Robert David Johnson, 1998 Gruening is perhaps best known for his vehement fight against U S military involvement in Vietnam However as Johnson shows here it s Gruening s sixty year public career in its entirety that provides an opportunity for historians to explore continuity and change in dissenting thought in twentieth century America **A History of the Alaska Statehood Movement** Claus-Michael Naske, 1971 **Alaska History** Marvin W. Falk, 2006-03-30 Marvin W Falk offers a systemic and select listing of just over 3 000 publications on the history of Alaska published from the 18th century to early 2004 Early explorations were conducted by nationals from several nations and the results were published in Russian German French Spanish and English Many of these foreign language accounts have been published in translation and are included in the bibliography This bibliography covers a wide span of Alaskan history including historical literature from Discovery in 1741 The Russian period ending in 1867 The U S territorial period ending with statehood in 1959 The oil boom *Battleground Alaska* Stephen Haycox, 2016-04-08 No American state is more antistatist than Alaska And no state takes in more federal money per capita which accounts for a full third of Alaska s economy This seeming paradox underlies the story Stephen

Haycox tells in *Battleground Alaska* a history of the fraught dynamic between development and environmental regulation in a state aptly dubbed *The Last Frontier*. Examining inconvenient truths the book investigates the genesis and persistence of the oft heard claim that Congress has trampled Alaska's sovereignty with its management of the state's pristine wilderness. At the same time it debunks the myth of an inviolable Alaska statehood compact at the center of this claim. Unique, isolated and remote, Alaska's economy depends as much on absentee corporate exploitation of its natural resources, particularly oil, as it does on federal spending. This dependency forces Alaskans to endorse any economic development in the state, putting them in conflict with restrictive environmental constraint. *Battleground Alaska* reveals how Alaskans' abiding resentment of federal regulation and control has exacerbated the tensions and political sparring between these camps and how Alaska's leaders have exploited this antistatist sentiment to promote their own agendas, specifically the opening of the Arctic National Wildlife Refuge to oil drilling. Haycox builds his history and critique around four now classic environmental battles in modern Alaska: the establishment of the ANWR in the 1950s, the construction of the Trans-Alaska Pipeline in the 1970s, the passage of the Alaska National Interests Lands Conservation Act in 1980, and the struggle that culminated in the Tongass Timber Reform Act of 1990. What emerges is a complex tale with no clear cut villains and heroes that explains why Alaskans, as a collective, almost always opt for development even as they profess their genuine love for the beauty and bounty of their state's environment. Yet even as it exposes the potential folly of this practice, Haycox's work reminds environmentalists that all wilderness is inhabited and that human life depends as it always has on the exploitation of the earth's resources.

**Congressional Record** United States Congress, 1999      **Chasing the Dark, Perspectives on Place, History and Alaska Native Land Claims, Shadowlands, Vol. 1, January 2009**, 2009      Alaska's Place in the West Roxanne Willis, 2010 The first comprehensive examination of Alaskan development schemes from 1890 to the present. Focuses on five major conflicts between environmentalists and developers from reindeer herding to the Trans-Alaska Pipeline. Takes readers behind common and simplistic representations of the state to explore the rich history and extreme diversity of a land that cannot easily be pigeonholed into typical American conceptions about place.      Alaska Politics & Government Gerald A. McBeath, 1994-01-01 This book examines Alaska's character and the forces shaping it. Underlying their descriptions are the themes of independence, dependence, and the search for sustainable economic development.      *Alaska Politics and Public Policy* Clive S. Thomas, Laura Savatgy, Kristina Klimovich, 2016-09-15 Politics in Alaska have changed significantly since the last major book on the subject was published more than twenty years ago, with the rise and fall of Sarah Palin and the rise and fall of oil prices being but two of the many developments to alter the political landscape. This book, the most comprehensive on the subject to date, focuses on the question of how beliefs, institutions, personalities, and power interact to shape Alaska politics and public policy. Drawing on these interactions, the contributors explain how and why certain issues get dealt with successfully and others unsuccessfully, and why some issues are taken up quickly while others are not addressed at

all This comprehensive guide to the political climate of Alaska will be essential to anyone studying the politics of America's largest and in some ways most unusual state      *Engineering in the Far North* Lisa Mighetto, 1997

## Reviewing **A History Of Alaska Statehood**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
