A History Of Colgate University 1819 1969:

A History of Colgate University, 1819-1969 ,2009 **A History of Colgate University, 1819-1969** Howard D. Williams,1969 **Encyclopedia of American Business History** Charles R. Geisst,Ambassador Charles a Gargano Professor of Finance Charles R Geisst,2014-05-14 Presents an alphabetically arranged reference to the history of business and industry in the United States Includes selected primary source documents **North Star Country** Milton C. Sernett,2001-12-01 North Star Country is the story of the remarkable transformation of Upstate New York s famous Burned over District where the flames of religious revival sparked an abolitionist movement that eventually burst into the conflagration of the Civil War Milton C Sernett details the regional presence of African Americans from the pre Revolutionary War era through the Civil War both as champions of liberty and as beneficiaries of a humanitarian spirit generated from evangelical impulses He includes in his narrative the struggles of great abolitionists among them Harriet Tubman Frederick Douglass Gerrit Smith Beriah Green Jermain Loguen and Samuel May and of many lesser known characters who rescued fugitives from slave hunters maintained safe houses along the Underground Railroad and otherwise furthered the cause of freedom both regionally and in the nation as a whole Sernett concludes with a compelling examination of the moral choices made during the Civil War by upstate New Yorkers both black and white and of the post Appomattox campaign to secure freedom for the newly emancipated **The Christian College (RenewedMinds)** William C. Ringenberg,2006-04-01 When it first appeared in 1984 The Christian College was the first modern comprehensive history of Protestant higher education in America Now this second edition updates the history featuring a new chapter on the developments of the past two decades a major introduction by Mark Noll a new preface and epilogue and a series of instructive appendixes *The Role of Campus Security in the College Setting* United States. Department of Justice,1972 **Studying Religion and Society** Titus Hjelm,Phil Zuckerman,2013 How do you study religion and society In this fascinating book some of the most famous names in the field explain how they go about their everyday work of studying religions in the field They explain how the ideas for their projects and books have come together how their understanding of religion has changed over the years and how their own beliefs have affected their work They also comment on the changing nature of the field the ideas which they regard as most important and those which have not stood the test of time Lastly they offer advice to young scholars and suggest what needs to be done to enable the field to grow and develop further The Encyclopedia of New York State Peter Eisenstadt,2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated

neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York's varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state's diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state's past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State

The Making of a Battle Royal Jeffrey Paul Straub, 2018-04-17 American Baptists emerged from the Civil War as a divided group Slavery landmarkism and other issues sundered Baptists into regional clusters who held more or less to the same larger doctrinal sentiments As the century progressed influences from Europe further altered the landscape A new way to view the Bible more human less divine began to shape Baptist thought Moreover Darwinian evolutionism altered the way religion was studied Religion like humanity itself was progressing Conservative Baptists proto fundamentalists objected to these alterations Baptist bodies had a new enemy theological liberalism The schools were at the center of the story in the earliest days as professors many of whom studied abroad returned to the United States with progressive ideas that were passed on to their students Soon these ideas were being presented at denominational gatherings or published in denomination papers and books Baptists agitated over the new views with some professors losing their jobs when they strayed too far from historic Baptists commitments By 1920 the Northern Baptists in particular broke out into an all out war over theology that came to be called The Fundamentalist Modernist controversy This is the fifty year history behind that controversy

Oberlin, Hotbed of Abolitionism J. Brent Morris, 2014 Oberlin Hotbed of Abolitionism College Community and the Fight for Freedom and Equality in Antebellum America

The Role of Campus Security in the College Setting Seymour Gelber, 1972

Congregation and Campus William H. Brackney, 2008 In this book the fullness of the Baptist experience in Christian higher education is explored charted and analyzed Beginning with the establishment in 1756 of the Academy and reaching to the present the author explores the need for Baptists to pursue education and the types of schools they founded Included are colleges universities manual labor schools literary and theological institutions theological schools and bible colleges Special attention is given to women and higher education and the Black Baptist achievements Details are provided about what makes a Baptist school Baptist charters trustees presidents support church accountability Chapters at the end of the typological and chronological narratives ponder the meaning of denominational education at present with suggestions about the future of faith based institutions and the failure of contemporary literature to attend properly to Baptist idiosyncrasies

Turning Points in Baptist History Michael Edward Williams, Walter B. Shurden, 2008 Arranged in chronological order so that the Baptist saga can be understood as a continuous narrative the book

has the added advantage of permitting the reader to cherry pick chapters that are of particular interest The Baptist struggles for freedom of conscience for a believer s church for including both genders and all races for fulfilling the Great Commission and for the separation of church and state these are only a few of the denominational shaping turning points one discovers in this book Baptist History and Heritage ,1970 **Dictionary of Early American Philosophers** John R.

Shook,2012-04-05 The Dictionary of Early American Philosophers which contains over 400 entries by nearly 300 authors provides an account of philosophical thought in the United States and Canada between 1600 and 1860 The label of philosopher has been broadly applied in this Dictionary to intellectuals who have made philosophical contributions regardless of academic career or professional title Most figures were not academic philosophers as few such positions existed then but they did work on philosophical issues and explored philosophical questions involved in such fields as pedagogy rhetoric the arts history politics economics sociology psychology medicine anthropology religion metaphysics and the natural sciences Each entry begins with biographical and career information and continues with a discussion of the subject s writings teaching and thought A cross referencing system refers the reader to other entries The concluding bibliography lists significant publications by the subject posthumous editions and collected works and further reading about the subject

The Evolution of the American Academic Library Building David Kaser,1997-04-30 Traces the architectural history of American academic libraries from the 1800s to the present **Sacred Markets, Sacred Canopies** Ted G. Jelen,2003-04-01 Can individual decisions concerning whether or where to attend church to contribute time or money to religious organizations or to forgo certain activities be explained as a special case of economic theory In Sacred Markets Sacred Canopies Ted G Jelen brings together the leading scholars in the sociology of religion to debate market theories of religion As the contributors examine whether or not religious choices can be understood as responding to the same laws of supply and demand as other forms of consumer behavior they bring out many of the issues controversies and concerns surrounding this innovative theory The result is a concise source for the arguments evidence and criticism of the market model of religious economies a perfect starting point for students and scholars approaching this set of problems **The Journal of Library History** ,1986
