Aloha Salty:

The Last Grain of Salt Dell Maestra, 2013-05-07 *The Last Grain* is a testimony about a journey my family experienced a painful trek through sexual and emotional abuse and even through the valley of the shadow of death when my sister took her own life These two traumatic experiences sexual abuse and suicide carry so much social stigma as to constrain most to silent suffering It is my prayer that readers will be drawn out of their pain onto a path of healing I invite the reader to join me and begin his or her own journey of healing as it provides opportunity for biblical application and journaling of their own story The reader that may be one who feels victimized by abuse of any kind or knows someone who has experienced abuse As you read the book it is my prayer that you would transition to understanding that pain is a part of the fabric of who we are and makes us capable of comforting others because of that experience Readers who have lost a loved one to suicide will also be encouraged by the insights from our family's experience The basic themes I hope the reader will carry away from the experience of this journey will be the following 1 We each have a story of wounds 2 Our wounds need to be shared transparently 3 Wounds can heal with forgiveness Walking victoriously with our scars can bring encouragement and hope to others
