We Are Never Alone Diane Whitaker, 2024-11-01 Things I wish someone told me sooner Parents are human Most people question what the best way is to read the Bible and understand it Is there a way to use our knowledge so it isn't wasted Now is the time to find insight and discover the truth of your existence God approached someone and proclaimed I am real Then said Write me a book about myself She rejected the request After thirty years God presented her with a final test of her faith through an incurable illness Her faith stayed intact yet she suffered brain damage No memory of words people and God

Emotions of a five year old God's plan is unfolding as she embarks on a new life slate wiped clean God allowed her to gain faith in him on her own accord She searched for God and he revealed himself God once more said Write a book about me She agreed With God as her foundation he invested a couple of years in nurturing her heart and teaching how he thinks She came out completely changed settled and at peace Living like she was already in paradise God revealed his fundamental concepts that you will eagerly share with your children throughout their lives Her entire life was orchestrated by God to give you his message In We Are Never Alone you'll discover Why we exist on earth The God Talk How to get God's attention Experience God directly Notice God's presence in the lives of his servants both past and present You have come to a crossroad It is your time What actions do you plan to take I know God placed this book before you for a reason **Alone in the World**
