Along The Buddhist Trail:

Along The Buddhist Trail B. K. Gogoi, 2003 **Killing the Buddha on the Appalachian Trail** John Turner, 2024 The allure of the Appalachian Trail has drawn hikers from all around the world to walk its 2 193 miles from Georgia to Maine In **Killing the Buddha on the Appalachian Trail** John Turner hikes those rugged miles with us on a journey that begins in the forested southern mountains but also winds through the history of the trail its geology its unique hiker culture and the hazards physical demands and glories of some of the most beloved and beautiful landscapes on America s eastern seaboard The journey also takes us to some unexpected places to Africa in the aftermath of a terrible war into philosophical exploration about the ethics of hiking and the author s own inner turmoil as he struggles with past failures We are introduced to characters as varied brave and determined as any cast of a Broadway musical each of them contending with the challenge of climbing steep mountains day after day through rain mud cold and heat Throughout this epic trek we walk alongside Turner to experience the daily hardships the milestones reached the hike ending accidents and the little victories along the way to the great mountain at the northern terminus Katahdin in Maine Turner guides us to Katahdin through a background of Buddhist teaching that gives meaning to the fellowship solitude suffering and ultimate triumph of the men and women who seek to hike the entire Appalachian Trail

The Real Life Story of Stem Cells Bhaskar Vyas, Rajni Vyas, 2021-01-01 This book is an autobiographical narration of the research activities with penchant and passion by two leading clinicians who turned towards stem cell research in later years of their life The book is about facts as they happened it also includes fiction as it should be a part of any novel and there is fantasizing as well as what one would like to be in the future Facts fiction and fantasy are frequently flavoured with philosophy as well The authors axiomatically classify themselves as philosophers Advocating that philosophy is the mother of all disciplines they narrate how they jumped into deep waters of expensive stem cell research The book describes how did they blunder at times and also cites the appearance of guardian angels to salvage them Floundering from cell biology to different kinds of stem cell applications the book describes where they have now parked at a far horizon on the edge of new discovery of a wonderful drug They ignite a spark of caution with restrictive regulations The book ends with reframing the poem by Rabindranath Tagore Into that heaven of regenerative medicine my Father let my country awake
