Along the Road to Manhood Family Christian Stores, Incorporated, 1999 Dad's Everything Book for Sons John Trent, Greg Johnson, 2003 Short practical suggestions offer fathers ideas to build a guality relationship with their eight to 12 year old sons following the pattern set in Luke 2 52 On the Road to Manhood Martin E. Thomas, 2017-10-15 This book On the Road to Manhood is an effective tool that will not only answer essential questions many men have but will provide a clear map for entering that path and successfully traveling it To achieve that goal this book will assist the careful reader to begin finding the way towards understanding himself There are few lessons in my life that have had more resonance within the deeper places of my soul than the profound priceless message locked in the words of that weeping prophet Jeramiah who made that often quoted and pride less confession revealing a degree of vulnerability rarely matched in this age Oh Lord I know that the way of man is not in himself it is not in man that walks to direct his own steps Jerimiah 10 23 It saddens me that I spent so many years living recklessly outside of a properly developed faith When I consider how far away from the Lord I was I am blessed that God did not allow death to usher me into the grave while I wandered aimlessly in sin It was not until after I had slid down that slippery slope from prominence as it were to despicableness I discovered how very little I knew about truth reality good or God One day it occurred to me as I pondered Jeramiah's struggle that I myself was ill prepared for the life of godly peace and power because I was living under the illusion that I knew that vital something about manhood with which I was only vaguely familiar Have you ever been in that place in your own mind That frame of mind where you think you

know more than you really do but you don t know that you don t know Where because of your proximity to a truth you think you know the truth I am referring to that awful place of deception where the enemy of our faith has tricked you into a sense of false peace and ease A place where you even think that everything is just fine everything is alright while in reality you may be living in the far country outside of Christ disconnected from the God of heaven and really only a step away from destruction You ever been there Well thank God if you have not but if any of you like me have been anywhere near that dark place then you know what false peace feels like And then maybe you also know how it feels when your eyes begin to open to the reality of your predicament I most certainly do When you begin to experience the feelings associated with being lost hopeless empty You know the pain the hurt that floods a lonely soul when you realize what you have done to yourself when you see what has become of you I can tell you from my own experience that there is not a moment quite like that moment when all pride is thrown aside when the blinders fall off and just for a moment you can see a truth that had previously alluded you God had been bringing you to this moment he sure did me but pride and sin kept getting in the way keeping me from seeing it And then it hits you all at once as if a loud speaker goes off in your mind when you finally get it clear in your mind that life is meant to be more than the life I am living What a hard pill this can be to swallow especially for the individual who has become accustomed to not seeing or facing himself As well for the one who does not yet know or understand the powerful truth in the simple phrase I am nothing absolutely nothing without God The Preacher and Homiletic Monthly Harold's Choice; Or, Boyhood's Aims and Manhood's Work.
