Buildings, Faith, and Worship Nigel Yates, 2000 This is the first major study for over forty years of the liturgical arrangement of Anglican churches in the period between the Reformation and the Oxford Movement The study is based both on surviving buildings and on a wide range of archival sources such as seating plans which are used to document internal changes and to suggest reasons behind them In the course of the book Nigel Yates challenges many widely held assumptions about the liturgical outlook of the Pre Tractarian period and about the impact of ecclesiology on the Church of England In particular he emphasizes the existence hitherto disregarded of a Church of England movement for liturgical renewal between 1780 and 1840 which to a degree anticipated some of the ideas previously attributed solely to the ecclesiologists The discussion is firmly set within the context of European Protestantism and comparisons are drawn with the liturgical practices both of Calvinists and Lutherans

THE SEAL OF

ASHVALE jett vorn, Don t believe in ghosts Ghosts are the memories of the dead echoes of pain that fade with time What woke in Ashvale Ohio wasn t a ghost It was hunger itself An ancient patient hunger that had slumbered for seventy years in the foundations of a forgotten asylum sealed behind bricks prayers and steel This book isn t a haunted house story Houses are just shells of wood and plaster This is a record of the desecration of flesh There are no heroes coming to save the day Heroes are the first to die their hopes the tastiest meal There s no mystery to solve There s only a massacre to witness Picture an entity that doesn t want your soul Your soul is an abstract concept useless It wants your terror your pain the scream that breaks in your throat when you see the unthinkable It feeds on that It s its sacrament It moves from body to body not like an infection but like an artist switching brushes leaving the old one broken and useless It reanimates the dead not to build an army but to use them as tools as set pieces for its theater of atrocities It all started with a demolition crew Ordinary men with ordinary names who thought they were tearing down an old building Instead they broke the door of a cage They shattered a seal with their ignorance and woke it with their blood What you re about to read is a chronicle of the hours that followed It s the story of Ashvale s fall Don t look for meaning Don t look for a moral There s only one when hell decides to rise it doesn t send legions of horned demons with wings It sends a smile on the face of a man you know And it hands you the tool to destroy everything you love Turn the page if you dare But know that the silence afterward will never be the same
