of Anabaptists and Mennonites from the sixteenth century originsthrough to the present that have shaped their approaches to conflict transformation and inspired new generations of Mennonites to engage in relief development and peacebuilding to alleviate the suffering of others whose experiences today reflect those of their ancestors Authors then explore the various peacebuilding approaches methods and initiatives that have emerged from this Mennonite narrative and its preservation and dissemination in subsequent generations Finally the book examines how this combined historical sensitivity and resulting peacebuilding theory and practice have been applied in violent conflicts around the world noting both successes and challenges Ultimately From Suffering to Solidarity attempts to answer a question How can a robust historical infrastructure be used to inspire empathetic solidarity with the Other and shape nonviolent ways of transforming conflict to thrust a stick in the spokes of the cycle of violence

Martyrs Mirror David Weaver-Zercher, 2016-03-15 The first scholarly history of the iconic Anabaptist text Approximately 2 500 Anabaptists were martyred in sixteenth and early seventeenth century Europe Their surviving brethren compiled stories of those who suffered and died for the faith into martyr books The most historically and culturally significant of these The Bloody Theater more commonly known as Martyrs Mirror was assembled by the Dutch Mennonite minister Thieleman van Braght and published in 1660 Today next to the Bible it is the single most important text to Anabaptists Amish Mennonites and Hutterites In some Anabaptist communities it is passed to new generations as a wedding or graduation gift David L Weaver Zercher combines the fascinating history of

Martyrs Mirror with a detailed analysis of Anabaptist life religion and martyrdom He traces the publication use and dissemination of this key martyrology across nearly four centuries and explains why it holds sacred status in contemporary Amish and Mennonite households Even today the words and deeds of these martyred Christians are referenced in sermons Sunday school lessons and history books Weaver Zercher argues that Martyrs Mirror was designed to teach believers how to live a proper Christian life In van Braght s view accounts of the martyrs helped to remind readers of the things that mattered thus inspiring them to greater faithfulness Martyrs Mirror remains a tool of revival offering new life to the communities and people who read it by revitalizing Anabaptist ideals and values Meticulously researched and illustrated with sketches from early publications of Martyrs Mirror Weaver Zercher s ambitious history weaves together the existing scholarship on this iconic text in an accessible and engaging way

A Time to be Born Peter Penner, 2016-06-29 Having a title that suggests that I was born to do something for three generations of Russlaender Mennonites is a bit crass and yet that is what three testimonial contributors suggest though unknown to one another Peter Penner s rich and varied life exemplifies bridge building between the worlds of church and academy Situated as he was on the physical edge of Mennonite communities for much of his career his perspective on their history and identity is full of insight As pastor teacher scholar and volunteer he has brought a critical yet gentle and loving eye to a lifetime of service Marlene Epp University of Waterloo Another the late Paul Toews Fresno CA historian This autobiography of Peter Penner is a vivid and powerful story of combining objective and dispassionate scholarly analysis with deep religious commitments A third a non Mennonite wrote His research and exposition of the MB Mission to India brought together the accumulated and finely honed scholarly skills both historical and theological that Peter Penner possessed Robert Eric Frykenberg University of Wisconsin While this Memoir covers three generations each of which has brought its different experiences excitements and decision making one constant has been the Mennonite faith and culture with which I was imbued in those first thirty years What were those years like for me Justina herself the greatest of volunteers has been my wife and companion for more than two generations We have touched many lives have seen many things and have stories to tell

Toews, 1959 Alternative Service appears as a new phenomenon in Canadian History during World War II As the name indicates Alternative Service was a form of service in lieu of military which the Canadian Government provided for

conscientious objectors upon the special request of the Historic Peace Churches The provision of such a service during a time when the policy of total war seemed to offer the only hope for national survival certainly constitutes an interesting and challenging subject for historical study Alternative service is more than a mere name given to a form of civilian service during wartime it is one of the most striking symbols of freedom of conscience and religion in a democracy That a nation would allow expression in wartime of a viewpoint which contradicted the generally accepted policy for national defence is a significant thing Although both Great Britain as well as the United States provided non combatant service under civilian direction during World War II Alternative Service in Canada developed along distinctive lines and did not conform closely to the systems in either Great Britain or the United States
