Awaken Emily A. Smith,2009-05 It is time for us to wake up People celebrate God all over the world and we are too wrapped up trying to get people to see God the way we see him her that we are missing the big picture It is time to go on your own quest to establish your own true relationship with your creator This book offers collections and insights of various beliefs and encourages you to find your own path to the Divine

Communion - Cating with God: How to Have a Personal Connection and Relationship with Your Creator Stephen Edwards,2008-06 Communion cating When God communes and communicates with the listener at the same time My experience is that God is love and that love is washing over us in waves from an ocean of thought feeling and emotion all the time in all ways We are only just now in the process of waking up to this reality and realizing who we really are in relation to God and the universe Book jacket

The Three Mantras Paul Hughes,2024-12-12 To anyone who has trudged through spiritual books and listened to endless self help podcasts Nearly gone broke attending woo woo meditation seminars in faraway lands Puked then hallucinated for twelve hours hoping to change the memories of your past Blearily woken up at 5 a m to dunk yourself in ice cold water then journal and update your never satisfied vision board downsized worldly possessions and smelt up your house burning sage Attempted to abstain from any food sex shopping social media news booze or anything that brought you joy Only to be left feeling even more isolated confused and alone The Three Mantras are for you *But the Greatest of These Is Love* Eward M. Vigeant,2014-03-05 This new Thought System emphasizes application rather than theology It specifically states that a universal religion is impossible but a Universal Experience is not only possible but also necessary This Universal Experience is Love Universal means that all of the billions of people who have passed through this world since time began and all of the people who are here now seven billion would know God God is Love To know Gods Love within is to know God Where learning ends there is Love Love is not learned There was never a time in which you knew it not Once this new perception of God is accepted then everything changes The quiet Voice of Love will help you to reinterpret

everything you have been taught as fearful and that makes you feel guilty and will change them to only what is loving is true There are no rules and regulations to obey You need do nothing The Power of Love will set you free It is not through any of your efforts Here is the ultimate release which everyone will one day find in his own way at his own time Think about this If Love is the primary focus of your life what are you going to do wrong Fear God and keep His commandments becomes Know God and accept His Certainty According to Wikipedia it is estimated that there are approximately 4 200 religions in the world today I say But the Greatest of These is Love

STANDING ON HOLY GROUND Rev. Charles M. Ridulph, 2025-05-07 STANDING ON HOLY GROUND is intended to break into the realm of today's vague understanding of spirituality Today many people rob themselves of any real peace hope or joy simply because they rely upon themselves or a god that they do not know This book tells you about the God of the Bible and his very essence Many today feel lost and alone in a world which has become so complicated so threatening But it need not be that way This book is intended to bring you into the presence of the God which loves you and cares for you

Windows Jo Boyd Hines, 2009-03-19 Writing poetry has been a challenging and fulfilling journey As I arrange my thoughts observations and feelings in a concentrated way a new form of expression emerges and my soul is fed I began writing poems many years ago and a lifelong learning process began that continues today I hope my perspective on life living and dying will engage the reader and encourage speculation about what is illusion and what if anything is not My external life has been that of wife mother grandmother feminist and community servant My professional life has been in the fields of advertising education and as a grant writer and non profit program administrator But my internal life has been a life of poetry This book is my poem for you
