Refiner'S Fire Bridgette Guest,2016-02-17 God pressed on my heart that people needed to know He speaks in the everyday walk of life Even in the most mundane task God is there ready to teach us This book is the journey that God has taken me on so far Its a book about a fiery redhead that allowed God to teach her some extraordinary lessons about the one true God Its a book about being authentic and living out His Word Although I have a seminary degree in theology God continues to speak the loudest in my everyday life of being a mom wife and childrens minister I hope anyone that reads this book walks away knowing God wants to be in every facet of our lives big and small It is so humbling to know the God of the universe cares about me in such a personal way I pray that you will allow God to permit you to become aware of the moments in your everyday life that He has ordained for His purpose

Twenty-One Days-Plus Roosevelt Brooks,2011-01-28 Twenty one Days Plus offers a way for anyone to identify areas in their lives that they need and are willing to improve Twenty one Days Plus can help you in selecting doable steps that lead to behavior and life style modifications that get you closer to your goals and that lead to self discovery Within the pages of this book you will find techniques that aid you in starting and completing any personal growth journey The book also explores the spiritual journey that takes us closer to God as well as the journeys to find purpose meaning balance and wholeness It is amazing how many of us have thoughts turning in our heads that make us believe if we wait long enough a hero will show up to save us That belief generates a mindset that causes us to give away our power to make a difference and it diminishes our ability to see ourselves as part of the solution As we wait for someone else to save the day we may lose our hope and sink into the bowels of disparity which darkens our outlook on life and chips away at our self esteem It is extremely hard to see the hero within when we only look for him or her outside of ourselves There is nothing wrong with waiting for a hero to come along However it would be wise to let go of the expectation that someone other than ourselves will make us happy or rescue us from the plights we face Personal change requires personal commitment and only the hero within you can make that commitment
