

Doubt requires more courage than conviction does, and more energy; because conviction is a resting place and doubt is infinite – it is a passionate exercise.

Courage To Doubt:

Wrestling with Doubt Frank D. Rees, 2001 Rees provides a theological analysis of doubts as a constructive element within the Christian experience of faith He considers three theological frameworks each of which offers an interpretation of doubt and two life story theologies that deal with faith and doubt *The Courage to Doubt* Robert Davidson, 1983 The Hebrew Bible is in part a history of individuals who in order to retain faith in God were led to rebel against and question what was being confidently affirmed about God Jacob Moses Jeremiah and the authors of many of the Psalms are obvious examples Robert Davidson tracks this important theme as it emerges in the patriarchal Mosaic and prophetic traditions of the Hebrew Bible He helps the reader see that this theme is particularly relevant today when many even within the believing community find themselves forced to question and doubt and often do so with unnecessarily guilty consciences The Courage of Doubt Robert Davidson, 1997-04-01 **Courage to Doubt** Stephen J. Hurlin, 2009-10 Robert G Ingersoll wrote in the mid 1800 s It is easy to follow the crowd but it takes courage to doubt It was this statement that inspired the title for this book because investigating the integrity of Christianity was contrary to everything I had been taught Courage To Doubt is not intended as a negative attack on religion but rather a positive defence for a religion free life It is the kind of book I would like to have had when my faith came under the spotlight because it contains information from various disciplines that took many years to research individually Stephen J Hurlin 2009 Courage to Doubt is a brave eloquent and well reasoned plea for the freedom of conscience and the drive for knowledge real testable logical knowledge Dan Barker co president of the Freedom From Religion Foundation Courage To Doubt starts with a chapter entitled Journey to Freedom Originally written as an essay in September 1997 it has been adapted for this book as an account of the author s conversion from Christianity to atheism his journey to intellectual freedom Other chapters include Baloney Detection Kit Train Your Brain Spot The False Argument Train Your Brain More The Christian Argument debunking the 3 pillars of faith Morality Without God Moral Models In The Bible The Godless Life **The Brave** Hayley DiMarco, Michael DiMarco, 2012-07 The country s most widely recognized teen mentors help teens dig into Scripture to learn to conquer their fears so that they can live through the turbulent teen years with confidence peace and hope **Triangulating Religion, Belief, and Faith in the Twenty-First Century** Bradford McCall, 2025-01-16 This book gives the reader the ability to make new inroads to understanding how faith belief and religion not only differ but also how they can contribute to comparative theology These three topics broadly covered herein can heighten the understanding of the Sacred by those who study them As to a few preliminaries what is faith Further what is belief Which one comes first in a person s journey toward the Sacred Moreover does religion factor into these two terms and if so where and how Does Augustine s well worn line faith seeking understanding mean anything today If it does would it mean belief comes prior to faith and or religion One can argue both sides of this debate and still be considered orthodox seemingly Perhaps it is the case that belief precedes faith most of the time but not all of the time Perhaps it is the other way

around What exactly is the demarcation between belief and faith Many a person believes a thing to be true in their very bones such a stance borders on what is commonly referred to as faith Is religion the combination of belief and faith together into a coherent system of thought or is it emergent from the two existing as a separate mental or spiritual entity Explore these questions and more

Post-Traumatic God David W. Peters, 2016-09-24 After traumatic events many turn away from the Church this book presents a path home providing a way back to a God who can be trusted loved and worshipped Today the church is sometimes viewed even from within as a place apart which may create a barrier of understanding for those who have experienced trauma Post Traumatic God grew out of Peters own experience as a chaplain in Iraq and later as an Episcopal priest and from his subsequent work with an organization he founded Episcopal Veterans for Peace which helped him identify the need for this quite different book to bridge that gap In it Peters explores three related themes history the early church itself was a post traumatic community theology especially building on Tillich s World War I experiences and the theology he subsequently developed and ecclesiology how church can offer community to trauma survivors Post Traumatic God equips the Church to heal the unseen wounds of the soul

Becoming The Apple Of God's Eye

Tella Olayeri, 2024-10-26 This book conveys the depth of God's love and care for his people. It's not a love that is based on merit or works but rather on God's grace and faithfulness. The Bible teaches that humanity is flawed and sinful but through the sacrifice of Jesus Christ, believers are offered a pathway to forgiveness and reconciliation with God. By accepting Jesus and walking in faith, Christians are invited into a relationship where God views them as the apple of His eye, an expression of his profound unmerited favor. This book is written to see far ahead and handle situations in utmost faith. This is a yearning for a heightened awareness of God's plans and purposes both for our personal lives and the world around us. In a world where so many are focused on immediate needs and concerns, this prayer book is a call to rise above the temporary and seek an eternal perspective. We ask God to wake us to see far ahead, to open our spiritual eyes to give us clarity not only for the future but also for the meaning behind the present challenges and opportunities. The book will open your eyes to helpers of value that assist, guide, and uplift others in their journey toward success, purpose, and fulfillment. This book would explore how to recognize, attract, and nurture important relationships that lead to significant breakthroughs in life. The situation is as iron sharpens iron, so one person sharpens another. This highlights the importance of mutually beneficial relationships where both parties grow, strengthen, and bring out the best in one another. In this book, we learn how to ask God to enter into our brokenness and bring healing, ask for his compassionate hand to lift us from despair, fear, and sin to a place of hope, peace, and righteousness. At the end of it all, you shall gain the followings: Divine Protection: The Lord will shield you from harm, keeping you safe from physical, emotional, and spiritual dangers. Unfailing Love: You shall experience God's unwavering, unconditional love which brings peace and fulfillment. Provision in Abundance: Your needs will be met, often in unexpected and miraculous ways, reflecting God's care for you. Guidance and Wisdom: The Lord will provide clarity in decision making, leading you in the path of righteousness. Spiritual Growth: Your relationship with God deepens as you learn more about his will and character, growing in faith. Victory over Adversity: In times of trouble, you overcome challenges with strength and resilience, knowing that God is fighting for you. Favor with People: You will receive grace and favor in your interactions with others, opening doors of opportunity. Healing and Restoration: God will bring physical, emotional, and spiritual healing, restoring what was lost or broken. Unshakeable Peace: Despite life's storms, you will enjoy a profound sense of peace, knowing that God is in control. Faith That Moves Mountains: Your trust in God will grow to a level where you can believe for the impossible and see miracles manifest. Generational Blessings: God's favor extends to your family and descendants, establishing a legacy of faith and blessings. Effective Prayer: Life: Your prayers align with God's will, becoming powerful and effective in bringing about his purposes. Eternal Hope: You are constantly reminded of the eternal hope and glory that waits, keeping your eyes focused on the bigger picture of God's kingdom. It is time to seek God and be the apple of his eye. This book is for you.
