How Did Davy Die? And Why Do We Care So Much? Dan Kilgore, 2010 Just over thirty years ago Dan Kilgore ignited a controversy with his presidential address to the Texas State Historical Association and its subsequent publication in book form *How Did Davy Die* After the 1975 release of the first ever English translation of eyewitness accounts by Mexican army officer Jose Enrique de la Pena Kilgore had the audacity to state publicly that historical sources suggested Davy Crockett did not die on the ramparts of the Alamo swinging the shattered remains of his rifle Old Betsy Rather Kilgore asserted Mexican forces took Crockett captive and then executed him on Santa Anna's order Soon after the publication of *How Did Davy Die* the London Daily Mail associated Kilgore with the murder of a myth he became the subject of articles in Texas Monthly and the Wall Street Journal and some who considered his historical argument an affront to a treasured American icon delivered personal insults and threats of violence Now in this enlarged commemorative edition James E Crisp a professional historian and a participant in the debates over the De la Pena diary reconsiders the heated disputation surrounding *How Did Davy Die* and poses the intriguing follow up question *And Why Do We Care So Much* Crisp reviews the origins and subsequent impact of Kilgore's book both on the historical hullabaloo and on the author Along the way he provides fascinating insights into methods of historical inquiry and the use or non use of original source materials when seeking the truth of events that happened in past centuries He further examines two aspects of the debate that Kilgore shied away from the place and function of myth in culture and the racial overtones of some of the responses to Kilgore's work
