John Ankerberg,Hugh Ross,2018-04-19 This study explains why the Big Bang was intelligently controlled and the most exquisitely designed phenomena science has ever discovered How the latest scientific discoveries can shed light on some theological questions such as how can God hear an answer the prayers of billions of people all at the same time Why we cannot understand the Trinity And how Jesus can pay for everybody s sin in just a few hours while on the cross **Scripture Proofs and Scriptural Illustrations of Unitarianism: With an Examination** John Wilson,2025-07-27 Reprint of the original first published in 1837 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Morris,2012-09-01 In Exploring the Evidence for Creation Henry Morris III merges years of meticulous research alongside the latest findings of science to present powerful evidence that upholds the biblical account of the earth s beginnings In response to the growing number of Christians who attempt to wed evolutionary theories with the biblical account of creation Morris ably demonstrates the two worldviews are entirely incompatible In this survey of the evidence for creation he answers these crucial questions What does the natural world teach us about creation Can we observe evolution happening today Can we believe in a Creator and still be true to science Morris lays out evidence that is rational scientific and biblical Readers will marvel as they discover the many ways that scientific research points with stunning clarity to a Creator and Designer whose glory is very much on display in the cosmos **The Chronology of Creation, Or, Geology and Scripture Reconciled** Thomas Hutton,1850

arguably the most important twentieth century compendium of Reformed Theology The work seemed particularly important to me writes the author in view of the widespread doctrinal indifference of the present day of the resulting superficiality and confusion in the minds of many professing Christians of the insidious errors that are zealously propagated even from the pulpits and of the alarming increase of all kinds of sects *The Creation and the Scripture* Gilbert Chichester Monell,1882
