Craig Legacy:

Legacy Chris Coppel, 2021-04-28 Craig Edmonds and his young family are awoken at 2 AM by someone banging at their front door On their doorstep they find an unexpected delivery a large crate with a generic label addressed to his family Their remote house the lateness of the hour the unexpectedness of the delivery something feels wrong to Craig a sheriff in the high desert of southern Utah It has taken him years to recover from the psychological trauma he d undergone as an elite Marine sniper but his life was now simple and complete But then he opens the crate to discover an intricately carved wooden mirror Now Craig must fight an enemy far worse than any he d encountered in the Middle East Only this time he is battling against time and the embodiment of evil in a desperate attempt to save his family His mission will take him twenty five years into the past and six thousand miles from home in order to defeat the reanimation of a 16th century English witch in this spine chilling time travelling horror

My Hyperrealist Life And Legacy Carole A. Feuerman, 2022-02-03 My autobiography dives deep into the experiences I faced in my life It highlights my struggles to survive the odds through balance perseverance and independence on my journey to fulfilling my true calling as one of the most successful sought after and prosperous artists today By telling my real life stories I hope to educate my readers and help them to overcome their difficulties and live a satisfying life I give practical strategies that will teach them how to form good habits break bad ones and master the tiny behaviors that lead to remarkable results Whether by finding new work achieving financial success or contemplating failure fear has a special place in our emotional life Feeling anxious uncertain and overwhelmed Our minds are designed to let fear in without it we d never survive But how do we keep suspicion away from restricting our ability to fulfil our goals Conquering fear is about self awareness and understanding our inner strengths often in the face of overcoming odds My book can be your guide to practicing and cultivating the personality traits needed to be successful

On the Legacy of Maxine Hong Kingston Sămi Ludwig, Nicoleta Alexoae-Zagni, 2014 This book is a collection of recent scholarship on Maxine Hong Kingston gathered on the occasion of the very first conference ever devoted exclusively to Kingston and to celebrate her opera omnia Featuring the work of researchers from four continents the book represents the cosmopolitan reception of the most important Asian American author In addition to many new angles on her two canonical postmodern autobiographies The Woman Warrior and China Men this collection also tackles Kingston s less frequently discussed writings and her most recent publications Parallel readings and comparisons further test her legacy in the sense of her enduring influence on younger Asian American writers Though it is a conference book this peer reviewed volume includes additional articles by selected scholars It also contains

original presentations by Maxine and her husband Earll Kingston Series Contributions to Asian American Literary Studies Vol 7

Learning Privilege Adam Howard,2013-01-11 How can teachers bridge the gap between their commitments to social justice and their day to day practice This is the question author Adam Howard asked as he began teaching at an elite private school and the question that led him to conduct a six year study on affluent schooling Unfamiliar with the educational landscape of privilege and abundance he began exploring the burning questions he had as a teacher on the lessons affluent students are taught in schooling about their place in the world their relationships with others and who they are Grounded in an extensive ethnographic account Learning Privilege examines the concept of privilege itself and the cultural and social processes in schooling that reinforce and regenerate privilege Howard explores what educators students and families at elite schools value most in education and how these values guide ways of knowing and doing that both create high standards for their educational programs and reinforce privilege as a collective identity This book illustrates the ways that affluent students construct their own privilege not fundamentally as what they have but rather as who they are MacCallister: The
