*Making Thatcher's Britain* Ben Jackson, Robert Saunders, 2012-08-02 This book situates the controversial Thatcher era in the political social cultural and economic history of modern Britain

**THE ART OF CHARACTERISATION** Anju Pathak, 2024-11-28 R K Narayan was a renowned Indian writer who lived from 1906 2001 and was known for his humorous and insightful portrayals of everyday life in the fictional town of Malgudi in South India While his work is not overtly feminist his stories often offer nuanced perspectives on gender roles and relationships Narayan s female characters are complex and multifaceted defying stereotypes of submissive and passive women For instance in his novel *The Dark Room* Savitri the protagonist refuses to be constrained by societal expectations of a traditional wife and mother She resents her husband s controlling behaviour and strives for self expression and independence even if it means defying her husband s wishes However it is important to note that Narayan s portrayal of gender roles and power dynamics in Indian society reflects the cultural norms and values of the time in which he was writing In *The Guide* Narayan explores the theme of female desire and agency through Rosie a dancer who pursues her passion despite societal stigma and disapproval Despite the obstacles she faces as a divorced woman Rosie asserts her independence and follows her dreams challenging the patriarchal norms of her society

Pedagogies, Physical Culture, and Visual Methods Laura Azzarito, David Kirk, 2013-02-11 To understand and more creatively capture the social world visual methods have increasingly become used by researchers in the social sciences and education However despite the rapid development of visual based knowledge and despite the obvious links between human movement and visual forms of understanding visual research has been scarce in the fields of physical culture and physical education pedagogy This groundbreaking book is the first to mark a visual turn in understanding and researching physical culture and pedagogies offering innovative image based research that reveals key issues in the domains of sport health and physical education studies Integrating visual research into physical culture and pedagogy studies the book provides the reader with different ways of seeing looking at and critically engaging with physical culture Since human movement is increasingly created established and pedagogized beyond traditional educational sites such as schools sport clubs and fitness gyms the book also explores the notion of visual pedagogy in wider physical culture helping the reader to understand how visual based technologies such as television the internet and mobile phones are central to people s engagement with physical culture today The book demonstrates how the visual creates dynamic pedagogical tools for revealing playful forms of embodiment and offers the reader a range of visual methods from researcher produced photo analysis to participatory centred visual approaches that will enhance their own study of physical culture *Pedagogies Physical Culture and Visual Methods* is important reading for all advanced students and researchers with an interest in human movement physical education physical culture sport studies and research methods in education

**ICGR 2023 6th International Conference on Gender Research** Professor Sandra Moffett, Dr Shirley Barrett, Dr. Andrea Reid, 2023-04-20 *Awfully Devoted Women*

Cameron Duder,2011-01-01 The lives of many lesbians prior to 1965 remain cloaked in mystery Historians have turned the spotlight on upper middle class romantic friends and on working class butch and femme women but the lives of the lower middle class majority remain in the shadows Awfully Devoted Women offers a portrait of middle class lesbianism in the decades before the gay rights movement in English Canada This intimate study of the lives of women who were forced to love in secret not only challenges the idea that lesbian relationships in the past were asexual it also reveals the courage it took to explore desire in an era when women were supposed to know little about sexuality English Language and Literary Criticism A.s. Kharbe,2009 **Contemporary American Women Artists** ,1991 Highlights the works words and lives of twenty four women artists who are painting sculpting welding and creating a place for themselves in the art world *Create Your Ideal Life* Mary Zahm,2010-07-08 Some pursue happiness Others create it Anonymous The chief purpose of *Create Your Ideal Life* is to empower you to proactively intentionally and consciously and continually create your ideal life in a joyful and balanced fashion by following the holistic emphasizing the importance of the whole and the interdependence of its parts Life Creation Process described in it Following the Life Creation Process will help you to gain the level of self understanding required to optimize the quality of your life and achieve personal growth As you read this book you will be introduced to the key concepts of applied psychology of personal adjustment and growth The term applied indicates that the material provided is practical and that you can readily use the concepts provided to create and control your self and your life The words psychology of personal adjustment indicate that one focus of the book is upon the individual s response to the physical psychological and social demands of the self other people and the environment Napoli Kilbridge 1995 You will also be guided to identify the Transitional Life goals that you will need to achieve in order to segue from living your Present Life to living your Ideal Future Life The Ideal Future Life that you design at this present time is definitely not all there is or will ever be possible in your life As you grow and change you will update your vision of your ideal life Learning the tools and techniques used in the Life Creation Process Exercises will empower you to continually recreate your Ideal Future Life through planned sequels in order to keep your life well balanced and overflowing with happiness and spiritual joy The resources used for this book reflect my multidisciplinary approach to the Life Creation Process as well as my positive psychological orientation I have included concepts from the traditional scholarly social psychological literature the popular self help and self improvement literature and the media plays movies tv newspapers and magazines The material includes both multidisciplinary academic resources and popular self improvement resources that I have used and found to be beneficial during my own explorations in personal adjustment growth and Ideal Future Life creation Most of the new material in this revised version of *Create Your Ideal Life* is from information that I have incorporated into my lectures in class exercises and course assignments over the past 15 years **The Oldest Vocation** Clarissa W. Atkinson,2019-03-15 According to an old story a woman concealed her sex and ruled as pope for a few years in the ninth century Pope Joan was not betrayed by a

lover or discovered by an enemy her downfall came when she went into labor during a papal procession through the streets of Rome From the myth of Joan to the experiences of saints nuns and ordinary women *The Oldest Vocation* brings to life both the richness and the troubling contradictions of Christian motherhood in medieval Europe After tracing the roots of medieval ideologies of motherhood in early Christianity Clarissa W Atkinson reconstructs the physiological assumptions underlying medieval notions about women's bodies and reproduction inherited from Greek science and popularized through the practice of midwifery these assumptions helped shape common beliefs about what mothers were She then describes the development of spiritual motherhood both as a concept emerging out of monastic ideologies in the early Middle Ages and as a reality in the lives of certain remarkable women Atkinson explores the theological dimensions of medieval motherhood by discussing the cult of the Virgin Mary in twelfth century art story and religious expression She also offers a fascinating new perspective on the women saints of the later Middle Ages many of whom were mothers their lives and cults forged new relationships between maternity and holiness *The Oldest Vocation* concludes where most histories of motherhood begin in early modern Europe when the family was institutionalized as a center of religious and social organization Anyone interested in the status of motherhood or in women's history the cultural history of the Middle Ages or the history of religion will want to read this book

**Theology in the Public Sphere** Sebastian Kim, 2013-01-03 A substantial and definitive introduction to public theology by one of the leading experts in the field A key text for third year undergraduate modules and MA courses in Social Ethics Political Theology and Public Theology

*Eventful Cities* Greg Richards, Robert Palmer, 2012-05-31 Processes of globalization economic restructuring and urban redevelopment have placed events at the centre of strategies for change in cities Events offer the potential to achieve economic social cultural and environmental outcomes within broader urban development strategies This volume analyzes the process of cultural event development management and marketing and links these processes to their wider cultural social and economic context provides a unique blend of practical and academic analysis with a selection of major events and festivals in cities where eventfulness has been an important element of development strategy examines the reasons why different stakeholders should collaborate as well as the reasons why cities succeed or fail to develop events and become eventful *Eventful Cities* evaluates theoretical perspectives and links theory and practice through case studies of cities and events across the world Critical success factors are identified which can help to guide cities and regions to develop event strategies This book is essential reading for any undergraduate or graduate student and all practitioners and policy makers involved in event management cultural management arts administration urban studies cultural studies and tourism

**Our Lives Before the Law** Judith A. Baer, 1999-08-16 According to Judith Baer

feminist legal scholarship today does not effectively address the harsh realities of women's lives Feminists have marginalized themselves she argues by withdrawing from mainstream intellectual discourse In *Our Lives Before the Law* Baer thus presents the framework for a new feminist jurisprudence one that would return feminism to relevance by connecting it in

fresh and creative ways with liberalism Baer starts from the traditional feminist premise that the legal system has a male bias and must do more to help women combat violence and overcome political economic and social disadvantages She argues however that feminist scholarship has over corrected for this bias By emphasizing the ways in which the system fails women feminists have lost sight of how it can be used to promote women s interests and have made it easy for conventional scholars to ignore legitimate feminist concerns In particular feminists have wrongly linked the genuine flaws of conventional legal theory to its basis in liberalism arguing that liberalism focuses too heavily on individual freedom and not enough on individual responsibility In fact Baer contends liberalism rests on a presumption of personal responsibility and can be used as a powerful intellectual foundation for holding men and male institutions more accountable for their actions The traditional feminist approach Baer writes has led to endless debates about such abstract matters as character differences between men and women and has failed to deal sufficiently with concrete problems with the legal system She thus constructs a new feminist interpretation of three central components of conventional theory equality rights and responsibility through analysis of such pressing legal issues as constitutional interpretation reproductive choice and fetal protection Baer concludes by presenting the outline of what she calls feminist post liberalism an approach to jurisprudence that not only values individual freedoms but also recognizes our responsibility for addressing individuals needs however different those may be for men and women Powerfully and passionately written *Our Lives Before the Law* will have a major impact on the future course of feminist legal scholarship

**Remaking the Body** Wendy Seymour,2012-11-12 In *Remaking the Body* Wendy Seymour interviews men and women who have suffered profound bodily paralysis and explores how they deal with their appearance relationships sexuality incontinence and sport She finds that even major impairment hasn t annihilated these people s experience of an embodied self She shows that the process of self reconstruction is interwoven with social expectations and argues that the experience of disability highlights the continuous work involved in embodiment for everyone *Remaking the Body* is a major contribution to the field of the sociology of the body and essential reading for rehabilitation professionals and students

[The Women of Atelier 17](#) Christina Weyl,2019-01-01 This timely reexamination of the experimental New York print studio Atelier 17 focuses on the women whose work defied gender norms through novel aesthetic forms and techniques

**Antonio Pietrangeli, The Director of Women** Emma Katherine Van Ness,2020-04-30 One of the founding fathers of neorealism in the postwar period in Italy Antonio Pietrangeli went on to focus his lens upon the female subject Eight of his ten full length films feature female protagonists This study seeks to better understand both his achievements and his failings as a feminist auteur as well as analyse his films by applying new critical and theoretical approaches Pietrangeli s representations of women struggling with questions of identity was a revolutionary act in the 1950s and 1960s The book makes a case why we should recuperate these films today since the standards for representing women in film continue to fall behind the reality of women s lives off screen
