Living a Purposeful Life Kalman J. Kaplan, 2020-08-28 While meaning and purpose are often seen as synonymous this book argues that they sometimes are in opposition the search for meaning at times suicidal and living with purpose life enhancing and invigorating No people seemed to search for meaning in their lives more than did the ancient and classical Greeks They were not content with living simple lives but oftentimes took on gargantuan tasks which resulted in a great deal of upheaval and unpleasantness in their everyday lives and oftentimes to disaster indeed suicide The biblical human being in contrast is not driven to search for meaning in this way One s purpose is inherent in daily life He does not need to search for it The God of the Hebrew Bible makes the human being man and woman in His own image He then breathes life into man Life has an inherent purpose Man must be a steward of God s creation
