Catalog of ERIC Clearinghouse Publications, 1997 **Striving for Excellence**, 1991 The ERIC Review, 1991
Provides information on programs research publications and services of ERIC as well as critical and current education information **Resources in Education**, 1995 *Leadership of Assessment, Inclusion, and Learning* Shelleyann Scott, Donald E. Scott, Charles F. Webber, 2015-10-20 This book provides pragmatic strategies and models for student assessment and ameliorates the heightened sense of confusion that too many educators and leaders experience around the complexities associated with assessment In particular it offers guidance to school and district personnel charged with fair and appropriate assessment of students who represent a wide variety of abilities and cultures Chapters focus on issues that directly impact the educational lives of teachers students parents and caregivers Importantly the confluence of assessment practices and community expectations also are highlighted Assessment is highly politicised in contemporary society and this book will both confirm and challenge readers beliefs and practices Indeed discerning readers will understand that the chapters offer them a bridge from many established assessment paradigms to pragmatic ethical solutions that align with current expectations for schools and districts In Part One readers engage with concepts and skills needed by school learning leaders to guide optimal assessment practices Part Two delves into student assessment within and across disciplines Part Three provides pragmatic approaches that address assessment in the context of inclusive intercultural education pluralism and globalisation **Resources in Education**, 1995 Connecting Performance Assessment to Instruction Lynn Fuchs, 1994 This booklet explores how a synergy between assessment and instruction can be forged to enhance student outcomes especially for students with disabilities The booklet defines and discusses assessment that enhances instruction provides an overview of important criteria for judging the utility of this type of assessment describes previous efforts within special education to link assessment and instruction to improve teacher planning and decision making discusses strengths and limitations of these methods introduces performance assessment as an approach for strengthening the connection between assessment and instruction offers a case study illustrating a teacher s use of performance assessment during instructional decision making discusses how performance assessment addresses the criteria for ensuring a tight connection between assessment and instruction and notes key areas requiring additional development and research Contains 35 references JDD **Standards Based Learning for Students with Disabilities** Allan A. Glatthorn, Marsha Craft-Tripp, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company **National and State Perspectives on Performance Assessment and Students with Disabilities** Martha L. Thurlow, 1994 This booklet examines national and state educational reform in the 1990s noting the ways in which performance assessment is being presented as a mechanism of reform Three reform initiatives are examined national education goals standards and reform legislation In conjunction with these reform movements new methods of assessment are being called for Large amounts of

money and excitement have surrounded national and state reform activities that either directly or indirectly are connected to the idea of performance based assessments Major national data collection efforts have changed to adopt the performance assessment approach including the National Assessment of Educational Progress and the National Adult Literacy Survey Participation of students with disabilities in national assessments is problematic constrained by the lack of accommodations The use of performance assessment is also increasing in statewide assessment programs requiring that accommodations and adaptations for students with disabilities be considered There is some evidence that the use of performance assessments may not benefit students with disabilities and to date their use has not increased the participation of students with disabilities but they hold the possibility of more equitable student measurement Contains 43 references JDD

Developing Performance-Based Assessments, Grades K-5 Nancy P. Gallavan, 2009 Use PBAs to design learning experiences that increase student engagement and achievement This book explains performance based assessments PBAs in easy to understand terms and describes how to construct PBAs that measure learner performance effectively while allowing educators to align curriculum and instruction with students needs Using PBAs teachers can engage students in the learning process connect the learning to students individual lives and monitor learning outcomes The author provides Detailed and clear examples of performance based assessments Tools for assessment and guidelines for creating and using rubrics Checklists frequently asked questions graphic organizers and activities to reinforce the content in each chapter
