Creation According To The Scriptures:

Creation According to Scriptures R. J. Rushdoony, Mark R. Rushdoony, Mark A. Ludwig, Kenneth L. Gentry, Jr., Cornelius Van Til, Frank Walker, Jr., Charles A. McIlhenny, Dave Bush, John King, Thomas D. Schwartz, Paul Ferroni, Jerry Bergman, The debate over literal six day creation within the conservative camp is surely not a tempest in a teapot While it is fair to acknowledge that sincere Christians appear on both sides of the debate it is not correct to deduce from that literal six day creation is an issue on which there can be a reasonable brotherly disagreement Latitudinarians who point out that there has been no consensus on this issue in the orthodox Christian church should realize that there has been no consensus in the orthodox church on the doctrine of justification either but that fact does not suggest we may hold a latitudinarian view of it We unswerving advocates of literal six day creation are not contending that those who disagree with us are not Christians We are however contending that they do not believe in a Christian manner on this issue Subtitled A Presuppositional Defense of Literal Six Day Creation this symposium by thirteen authors is a direct frontal assault on all latitudinarian and otherwise waffling views of Biblical Creation It explodes the Framework Hypothesis so dear to the hearts of many respectability hungry Calvinists and it throws down the gauntlet to all who believe they can maintain a consistent view of Biblical infallibility while abandoning literal six day creation It is a must reading for all who are observing closely the gradual defection of many allegedly conservative churches and denominations or who simply want a greater grasp of an orthodox God honoring view of the Bible

The Creation and the Scripture Gilbert Chichester Monell, 1882 The Mystery of Creation Watchman Nee, 1981-08-06 In this volume Watchman Nee the noted Chinese pastor writer presents to us a biblical interpretation of creation not arguing for the scientific accuracy of the Genesis account but stipulating that God is greater than science **A series of dissertations on the doctrines of the Bible** James Garner, 1860 **A Series of Dissertations on the Doctrines of the Bible; Forming a Concise and Comprehensive System of Christian Theology** James Garner, 1860

Creation As an Introduction to Christian Thought Henry Vander Goot, 2025-07-31 This volume outlines a comprehensive worldview perspective of creation fall and restoration There is no need to be dependent on what the dominant after freedom culture dispenses as alternative perspectives Use the spectacles of the Scriptures to help see creation realities more properly This is best accomplished through Christian education Landmarks of Truth; Or, Harmony of the Holy Scriptures with Reason and Science ... Together with a History of the Religious Denominations of the World, Etc David Meyrick EVANS, 1874 Bible Creation Truth Rev'd Dr Graham J Whelan OAM, 2022-01-10 Dr Whelan's aim in this book is to encourage readers to look at the truth of the history of the Holy Scriptures and to affirm the belief in the verbal inspiration of Scripture and its inerrancy and infallibility His work focuses on an overview of the truth of six literal days for creation Natural God given laws of physics and a cosmological model are examined The question of evolution is also considered He shows the earth as being young in accordance with the Biblical record He also writes that the universe is also relatively

young and that we should consider Biblical creation as our starting point This effort to instill what God created in six days as compared to theories of evolution will undoubtedly generate much discussion In this work I analyse Bible Creation truth vs evolutionism a young earth vs an old earth When it comes to a subject such as this it is wonderful to have an eye witness as a friend The Lord Jesus is that eye witness As the Son of God the Eternal Second Person of Elohim and YAHWEH He walked with Adam in the Garden but before that was with the Father and the Holy Spirit creating and speaking Ge 1 3 9 11 20 26 2 3 18 2 9 22 23 We know this truth as Jesus as the Eternal living word Jn 1 1 told Moses all that Moses needed to know and write down as historical fact This author has research over 60 works scholarly books to discuss and confirm the truth of the Bible for this title Bible Creation Truth Genesis 1 Man is the apex of the Lord God s creation not the ape of evolutionism God s creation of His fullness apart from man was different for He said Let the land produce living creatures Gen 1 24 However when God made man it was a personal relationship Let us make man in our image in our likeness and let them rule Gen 1 26 Man was made viceroy of God s creation in charge of all God s work under God until man was disobedient The aim of this work is to encourage believers to focus on the absolute truth of the history of the Bible Holy Scripture 2 Tim 3 15 17 The focus is literal Biblical truth as opposed to a focus on metaphor allegory or poetry Some will suggest there is a place for these but this leads to liberal relativism The question is which worldview In the theological subject Apologetics much has been written emphasising that Christians must be prepared to give a reason for heir hope in Jesus but also to be well versed in the Historical fact of Scriptural truth Thus this work is an encouragement for diligent study of literal Biblical truth In this work this author will not limit the theology of the existence of God The Biblical fact is that God does exist and that He is sovereign The sovereignty of God Elohim Ge 1 1 2 3 the Father the Son and Holy Spirit YAHWEH LORD Ge 2 4ff is Biblical fact and the truth of the Trinity and the authority of the Person of Jesus is not questioned Separate chapters are devoted to these truths Jesus is the eternal second Person of YAHWEH who came into our history but who has always been present in God s eternity in the loving unity of the Father Son and Holy Spirit 1 Peter 1 19 20 Jesus was to be Saviour as this Scripture teaches Saviour before the world began This work focuses on firstly an overview of the truth of 6 literal days of creation The supernatural and miraculous works of God are never questioned Natural God given laws of physics and a cosmological model are examined The question of evolution is also examined There then follows the truth Scripture gives on these questions Several subjects are repeated and added to depending on their relation to key subject areas The Holy Spirit guides born again believers into all truth keep rejoicing Read less
