The Analogy of Love Gary Chartier, 2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians

Huttunen, 2011-04-14 The essence of Spirituality is Love. Any delineation from this motive is hypocrisy created to destroy. Author Will Huttunen shows how your Path, Destiny and Planetary Shift is the movement toward Unconditional Love. This book teaches how to take fear and pain and undo the only karmic patterns that create it. It is the repression of yourself. This experience is felt as a surrender of your judgments and a relinquishing of your control over your own Will. You cannot perform God's Will while condemning your own. As one represses self, the Universe acts in like reply karma attraction and creates unlovingness. The more we heal this, the more loving you and the World will be. By the standards of the dark ego, Hell is made to keep Earth safe from what it deems as unwanted. Hell is created as a holding cell so that we would not be bothered by parts of ourselves we judged due to The Will's unwillingness to prostitute itself. The discipline and obedience to God without Love is domination and control. Your hatred of how you feel is mostly observed as the discipline of God, the righteous control of evil. The pronouncement of salvation and the boasting of gratitude and happiness can be seen as The Light of God. Yet notice how willing this display is to actually feel any fear. Lovingly, the talk of salvation is empty and fallacious without the action behind it. This empty boasting is not designed to heal. It is here to congratulate itself so to validate its position in power over The Will. website: spiritandwill.com **You Are No Sinner** Paramahansa

Nithyananda, 2007 *Helping Your Struggling Teenager* Les Parrott, 2000 This clear and practical resource details 36 common teenage problems that are arranged alphabetically from abuse to suicide to help parents tackle each problem by encouraging them to answer key questions given to them. **Happiness 24/7** Om Praksh Nemani, 2018-02-14 This book is dedicated to those who are interested in altering life to attain bliss and happiness. I am one of you belonging to a business family living with three generations together. I have experienced various aspects of life working in multiple fields of activities throughout life. Recently with the blessings of my Guru Sadhguru Sri Ramesh Ji of Poorna Ananda Ashram Hyderabad, I got realization that even while living in the family performing all social, economic and family obligations, we can adopt spiritual practices and mould ourselves in such a way where we can be the masters of our emotions and Virtues. Through this book, I am trying to share my experiences to bring out the changes in our response to any behaviour which we receive from others. I feel it will help you to know yourself better who is a PURE SOUL FULL OF PEACE and LOVE with DIVINE ENERGY in a HEALTHY BODY. I assure you can change your any habit by just deciding, not only wishing, committing, not only trying and taking full responsibility, not only hoping of the result. **Creation and Guilt** Ignaz Maybaum, 1969 **Cosmic**

**The Perfect Sacrifice** K.C. Stanger,2019-08-30 Imagine being awakened to the person of Jesus in your adult years but having very little experience with the Bible For one who desires to learn of the richness of the Bible beginning the task of embracing the immensity of this Holy Book can feel overwhelming Yet when the lessons of the Bible are broken down into individual encounters with God the task of understanding God s message to humankind becomes less intimidating The Perfect Sacrifice is an adult Bible devotional that focuses on men and women whose lives reflect the same struggles we face today These snapshots of Biblical characters and situations serve as reminders of how Jesus fulfilled the needs and hopes of people in the past and how in turn Jesus leads us on our journey with Him today This book highlights the trail of love Jesus leads throughout the Bible and draws the reader closer to the embodiment of loveJesus This manuscript is unique in assisting the reader to consider how Jesus was alive and involved in the characters lives from the first page of the Bible Jesus in this writing is seen as continually acting out God s love and as the fulfillment of the longings of Bible characters The great men and women of the Bible were often unknowingly walking toward the cross Although they were looking for a deliverer to assist them with their personal circumstances God was more concerned with their eternal destiny This book helps the reader commune with their Maker and Eternal Deliverer The Perfect Sacrifice strives to introduce others to the Great Shepard and the Lamb of God who was healing caring and leading His people even as they were unaware of His presence Jesuspresent at the beginning of time and present throughout time
