## **Biographical Directory Of The Council Of Economic Advisers:**

**Biographical Directory of the Council of Economic Advisers** Council of Economic Advisers (U.S.),1988-06-03 This book consists of essays on the 45 economists who have served on the CEA covering their economic and political programs and ideas as well as their lives This new biographical dictionary is an authoritative and substantive reference source covering federal economic policy since World War II through biographical information on the various economic advisers appointed in this period Reference Books Bulletin The more than 40 biographical essays in this volume are written by practicing scholars of economics and are presented in alphabetical order They provide comprehensive pictures of the council members analyzing their ideas and their influence on both economic theory and governmental policy An appendix details council membership during each presidential administration allowing a clear understanding of the degree to which the advice and actions of particular individuals were effective Council membership has traditionally been considered a prestigious assignment consequently the biographies collected in this directory represent a substantial group of the country's most important economists *Biographical Directory of the Council of Economic Advisers* Council of Economic Advisers (U.S.),1988-06-03

This book consists of essays on the 45 economists who have served on the CEA covering their economic and political programs and ideas as well as their lives This new biographical dictionary is an authoritative and substantive reference source covering federal economic policy since World War II through biographical information on the various economic advisers appointed in this period Reference Books Bulletin The more than 40 biographical essays in this volume are written by practicing scholars of economics and are presented in alphabetical order They provide comprehensive pictures of the council members analyzing their ideas and their influence on both economic theory and governmental policy An appendix details council membership during each presidential administration allowing a clear understanding of the degree to which the advice and actions of particular individuals were effective Council membership has traditionally been considered a prestigious assignment consequently the biographies collected in this directory represent a substantial group of the country's most important economists **Biographical Directory of the United States Congress, 1774-2005** United States.

Congress,2005 Lists every member of the U S House and Senate since 1789 with brief biographical entries on each member

**Biographical Dictionary of the United States Secretaries of the Treasury, 1789-1995** Bernard S. Katz,C. Daniel Vencill,1996-12-09 Describing the men who have led the U S Treasury since its creation in 1789 this book profiles those who have held the cabinet position of Secretary of the Treasury from Alexander Hamilton to Robert Rubin Each profile provides the reader with an understanding of the man the problems he faced and the contributions he made While focusing on the economic policy problems of an era and the solutions the secretary offered each profile also includes a vignette illustrating the secretary's personality and background Some represent backgrounds of money and power others backgrounds of simplicity and anonymity Some came to the office with greater stature than when they left while others made a significant

mark on our nation's financial history Alexander Hamilton the first Secretary of the Treasury besides collecting and dispersing the public revenue made the Treasury a prime agency for promoting the country's economic development and fiscal soundness Since the Great Depression the Treasury's regulatory functions have been articulated and elaborated Working with the President's cabinet and with maximum statistical data the secretaries have sought to analyze the economic outlook and to coordinate official actions including policies to maintain a strong and stable U S dollar The essays in this book written by 24 authorities illustrate how the Secretary of the Treasury is responsible for formulating and recommending domestic and international financial economic and tax policy participating in the formulation of broad fiscal policies with general significance for the economy and managing the public debt The biographies illustrate continuing themes of fiscal management as our nation evolved over 200 stormy years of history They also provide an intimate look at 69 individual secretaries with stories and facts about their leadership ideas style and administrative prowess together with their personality and family lives

ARBA Guide to Biographical Resources, 1986-1997 Robert L. Wick, Terry Ann Mood, 1998 This single source guide to selected biographical dictionaries and directories covers the entire spectrum of biographical sources serial and nonserial that have been published in the last ten years In each entry the book gives complete bibliographic information along with price and a critical evaluation Most entries have been selected from American Reference Books Annual ARBA between 1986 and 1997 Organized in two broad categories International and National Biographies and Biographies in Professional Fields listings are also easily accessed through detailed author title and subject indexes This work will be valuable to reference librarians researchers and others who require information on the lives of individuals from all fields of study and all time periods and of particular use to those involved in the library acquisition process

Official Congressional Directory United States. Congress, 1989 Includes maps of the U S Congressional districts

**An Encyclopedia of Keynesian Economics, Second edition** Thomas Cate, 2013-01-01 Acclaim for the first edition This easy to read collection tells the whole story Filled with short well written pieces the encyclopedia covers the names and ideas that preceded Keynes that carried his work to the center of the profession and that eventually supplanted him there There are excellent and unexpected articles on the Austrian school the Lausanne school and the Ricardo effect There are well done pieces on all the basic theoretical models at

the heart of Keynesianism the volume has been well put together The editors deserve special praise for letting each contributor tell his own story Those who oppose Keynes s ideas are just as well represented as those who carry the torch for him This evenhandedness helps to ensure a volume that is truly representative and that will allow its users to get a full picture of the life and times of Keynesian economics Bradley W Bateman Grinnell College US The book will also be of some interest to serious scholars partly because it includes biographies of many economists too young to have been included in the New Palgrave such as Dornbusch Fisher Herschel Grossman Kregel Lucas and Robert Townsend It also includes some very interesting longer essays Peter Howitt The Economic Journal This book provides an excellent summary of the many strands of Keynesian style thought both before and after 1936 Its well considered entries take care to make explicit the assumptions and fundamental points of difference between theories too often concealed by the parents and advocates of specific theories in their zeal to promote the universality of the ideas There is scarcely an entry that suffers from wordiness and repetition the reader s scarce time is not abused Elizabeth Webster Economic Record This reviewer found using this source exhilarating and endowed with additional interest in view of the 1997 discussion on the inclusion or noninclusion of Keynesian economics in introductory economics textbooks The editors should be applauded for helping to preserve a part of intellectual heritage Bogdan Mieczkowski American Reference Books It is the best single reference source on Keynesian economics and will be welcomed by students and teachers in economics as well as scholars in related social sciences and government policy makers Educational Book Review This thoroughly revised and updated second edition of a highly acclaimed and authoritative reference work introduces the major concepts in the field of Keynesian economics The comprehensive Encyclopedia features accessible informative and provocative contributions by leading international scholars working in the tradition of Keynes It brings together widely dispersed yet theoretically congruent ideas presents concise biographies of economists who have contributed to the debate on Keynes and the Keynesian Revolution and outlines the basic principles models and tools used to discuss the economic consequences of The General Theory Longer entries on specific topics associated with Keynes and the Keynesian Revolution analyse the principal factors that contributed to The General Theory the economics of Keynes and the rise and apparent decline of Keynesian economics in greater detail The second edition will ensure that An Encyclopedia of Keynesian Economics will remain the best single reference source on Keynesian economics and will continue to be welcomed by academics students and teachers of economics as well as by scholars in related social sciences and government policymakers

*Biographical Directory of the American Congress, 1774-1996* Joel D. Treese, 1997 Closing date of compilation September 30 1996

**The SAGE Encyclopedia of Business Ethics and Society** Robert W. Kolb, 2018-03-27 Thoroughly revised updated and expanded The SAGE Encyclopedia of Business Ethics and Society Second Edition explores current topics such as mass social media cookies and cyber attacks as well as traditional issues including accounting discrimination environmental concerns and management The new edition also includes an in depth examination of current

and recent ethical affairs such as the dangerous work environments of off shore factories for Western retailers the negligence resulting in the 2010 BP oil spill the gender wage gap the minimum wage debate and increasing income disparity and the unparalleled level of debt in the U S and other countries with the challenges it presents to many societies and the considerable impact on the ethics of intergenerational wealth transfers Key Features Include Seven volumes available in both electronic and print formats contain more than 1 200 signed entries by significant figures in the field Cross references and suggestions for further readings to guide students to in depth resources Thematic Reader s Guide groups related entries by general topics Index allows for thorough browse and search capabilities in the electronic edition
