Biography And Genealogy Master Index 2005:

Biography and Genealogy Master Index, a Consolidated Index to More Than 3,200,000 Biographical Sketches in Over 350 Current and Retrospective Biographical Dictionaries Barbara McNeil, Miranda C. Herbert, 1982 Biography and Genealogy Master Index Jennifer Mossman, 2005 **The Source** Loretto Dennis Szucs, Sandra Hargreaves Luecking, 2006 Genealogists and other historical researchers have valued the first two editions of this work often referred to as the genealogist's bible. The new edition continues that tradition. Intended as a handbook and a guide to selecting, locating, and using appropriate primary and secondary resources, *The Source* also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers. More than 30 experts in this field—genealogists, historians, librarians, and archivists—prepared the 20 signed chapters, which are well written, easy to read, and include many helpful hints for getting the most out of whatever information is acquired. Each chapter ends with an extensive bibliography and is further enriched by tables, black and white illustrations, and examples of documents. Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find. Who's who in Animated Cartoons Jeff Lenburg, 2006-06 Looks at the lives and careers of more than three hundred animators. *Guide to Reference in Genealogy and Biography* Mary K. Mannix, Fred Burchsted, Jo Bell Whitlatch, 2015 An excellent starting point for both reference librarians and for library users seeking information about family history and the lives of others, this resource is drawn from the authoritative database of *Guide to Reference*, voted Best Professional Resource Database by Library Journal readers in 2012. Biographical resources have long been of interest to researchers and general readers, and this title directs readers to the best biographical sources for all regions of the world. For interest in the lives of those not found in biographical resources, this title also serves as a guide to the most useful genealogical resources. Profiling more than 1400 print and electronic sources, this book helps connect librarians and researchers to the most relevant sources of information in genealogy and biography. **Descendants of William Cromartie and Ruhamah Doane and Related Families** Amanda Cook Gilbert, 2013-10-08 This ambitious work chronicles 250 years of the Cromartie family genealogical history. Included in the index of nearly fifty thousand names are the current generations and all of those preceding which trace ancestry to our family patriarch William Cromartie, who was born in 1731 in Orkney, Scotland, and his second wife Ruhamah Doane, who was born in 1745. Arriving in America in 1758, William Cromartie settled and developed a plantation on South River, a tributary of the Cape Fear near Wilmington, North Carolina. On April 2, 1766, William married Ruhamah Doane, a fifth-generation descendant of a Mayflower passenger to Plymouth, Stephen Hopkins. If Cromartie is your last name or that of one of your blood relatives, it is almost certain that you can trace your ancestry to one of the thirteen children of William Cromartie, his first wife, and Ruhamah Doane, who became the founding ancestors of our Cromartie family in America: William Jr., James, Thankful, Elizabeth, Hannah, Ruhamah, Alexander, John, Margaret, Nancy, Mary, Catherine, Jean, Peter, Patrick, and Ann E.

Cromartie These four volumes hold an account of the descent of each of these first generation Cromarties in America including personal anecdotes photographs copies of family bibles wills and other historical documents Their pages hold a personal record of our ancestors and where you belong in the Cromartie family tree **Basic Library Skills, 5th ed.**
