Biography of the Holy Trinity and Man Markus E. Adams,2009 If you re like most people you have questions about God
that are difficult to find answers for But there are answers to some of these and other intriguing and sometimes troubling
questions about life inside this book in easy to understand language This book is designed to lessen some of the mystery of
God God wants us to know more about Him and His plans for us God wants us to know about His Son Christ Jesus and
exactly what He did for us then and what He does for us now God wants us to know about His power the Holy Spirit and what
He does God wants us to understand how we are viewed by Him and how we fit into His overall plans He wants us to see
ourselves the condition that we have and the position that we are in God wants us to understand that there must be a faithful
and productive relationship between Him and us if we are to please Him And we must have a solid understanding of how that
relationship itself works It is extremely important that we know what sin is and how it affects our relationship with Him He
wants and expects us to know all these things God has never wanted to remain a total mystery to us because we cannot serve
Him if He is a total mystery Therefore this book explains to the undecided enlightens the newly converted and reinforces for
those already born again the necessity of understanding the relationship between God and themselves Also you will come to
know that there are choices that must be made that only you can make But they will not be as difficult to make once you have
